(2) The Licensee must supply the OGA with the name and address of a person to whom notices, directions or other documents are to be given.

(3) The Licensee must ensure that, where there is a change in the person to whom, or the address to which, notices, directions or other documents should be sent in accordance with paragraph (2), the OGA is notified of the change as soon as is reasonably practicable.

(4) If the Licensee fails to comply with paragraph (2) the OGA may give the Licensee a notice which—

- (a) requires the Licensee to comply with paragraph (2) within the period of one month beginning with the date of the notice; and
- (b) states that, if the Licensee fails to do so, the Licensee will be treated as having supplied under paragraph (2) the name and address specified by the OGA in the notice.

Payment of consideration for Licence

3.—(1) The Licensee must make to the OGA, as consideration for the grant of this licence, payments in accordance with the Schedule setting out the consideration payable under the licence.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) The Licensee may not by reason of the determination of this licence or the surrender of any part of the Licensed Area be entitled to be repaid or allowed any sum payable to the OGA pursuant to this licence before the date of such determination or surrender.

Diligence

5. If and whenever any of the payments mentioned in clause 3(1) of this licence or any part thereof are in arrears or unpaid for 28 days after any of the days whereon the same ought to be paid (whether the same has been legally demanded or not), then and so often as the same may happen the OGA may (as an additional remedy and without prejudice to any other rights and remedies to which they would be entitled) do diligence in respect thereof in like manner as a landlord may do diligence in respect of unpaid arrear of rent and such diligence may be effectual to attach all or any of the stocks of Petroleum, engines, machinery, tools, implements and other effects belonging to the Licensee which are found on or about any of the Licensee's installations and equipment used or to be used in connection with searching, boring for or getting Petroleum in the Licensed Area, and where in pursuance of such a diligence a sale of such effects as have been attached thereby takes place, the OGA may out of the proceeds thereof retain and pay all the arrears of the said payments and also the expenses of and incident to such diligence and sale and must then pay the surplus thereof (if any) to the Licensee.

Indemnity against third party claims

6. The Licensee must at all times keep the Secretary of State and the OGA effectually indemnified against all actions, proceedings, costs, charges, claims and demands whatsoever which may be made or brought against the Secretary of State or the OGA by any third party in relation to or in connection with these clauses or any matter or thing done or purported to be done in pursuance thereof.

Arbitration

7.—(1) If at any time any dispute, difference or question arises between the licensee and the Secretary of State or the OGA as to any matter arising under or by virtue of these clauses or as to their respective rights and liabilities in respect thereof then the same may, except where it is expressly provided by these clauses that the matter or thing to which the same relates is to be determined, decided, directed, approved or consented to by the Secretary of State, be referred to arbitration as provided by paragraph (2).

(2) The arbitration referred to in the foregoing paragraph must be by a single arbiter who, in default of agreement between the Secretary of State or the OGA and the Licensee as to the appointment, must be appointed by the Lord President of the Court of Session.”
