The Renewable Heat Incentive Scheme Regulations 2018

PART 9

Enforcement

Power to inspect accredited RHI installations and equipment used to produce biomethane

85.—(1) The Authority or its authorised agent may request entry without notice at any reasonable hour to inspect an accredited RHI installation or equipment used to produce biomethane and its associated infrastructure to do any one or more of the following—

- (a) verify that the participant is complying with all applicable ongoing obligations;
- (b) verify meter readings;
- (c) take samples and remove them from the premises for analysis;
- (d) take photographs, measurements or video or audio recordings;
- (e) ensure that there is no other contravention of these Regulations.

(2) Within 21 days of a request made under paragraph (1) being (in its opinion) unreasonably refused the Authority must send a notice to the participant specifying—

- (a) the reason why the Authority considers the refusal to be unreasonable;
- (b) the consequences of the refusal, including potential sanctions for failing to comply with the ongoing obligation imposed by regulation 43(j); and
- (c) details of the participant's right of review.
