**The Renewable Heat Incentive Scheme
and Domestic Renewable Heat Incentive
Scheme (Amendment) Regulations 2018**

PART 3

Amendments to the Renewable Heat Incentive Scheme Regulations 2018

Amendments to regulation 43 (ongoing obligations: general)

16. In regulation 43—

(a) after paragraph (x) insert—

“(xa) where regulation 32(12A) applied to their application for registration, participants must ensure that any necessary environmental permits and local and national laws including those relating to the protection of the environment continue to be complied with in respect of the processes by which the biogas which is used to produce the biomethane is produced, the biogas is converted into biomethane, and the biomethane is injected;”

(b) after paragraph (y) insert—

“(z) they must notify the Authority within 28 days of the installation of a replacement plant; and

(z1) they must ensure that any necessary environmental permits, and local and national laws including those relating to the protection of the environment, continue to be complied with by the plant”.
