The Offshore Combustion Installations (Pollution Prevention and Control) (Amendment) Regulations 2018

New regulation 15A (review of permits: medium combustion plant)

24. After regulation 15, insert—

“Review of permits: medium combustion plant

15A.—(1) The Secretary of State may at any time review the conditions of a permit which relates to the operation of a medium combustion plant.

(2) An operator must provide, without undue delay, to the Secretary of State such information as the Secretary of State requests which may be needed to review the conditions of a permit.”.
