2018 No. 798

The Offshore Combustion Installations (Pollution Prevention and Control) (Amendment) Regulations 2018

Substitution of regulation 3 (requirement for permits)

5. For regulation 3, substitute—

“Permits

3.—(1) Subject to paragraph (2), a person must not operate an offshore combustion installation—

- (a) without a permit; and
- (b) otherwise than in accordance with the conditions in that permit.

(2) Where a permit has yet to be granted in respect of an offshore combustion installation which is equipped with a medium combustion plant, paragraph (1) applies from the relevant date.

(3) A person must apply for a permit in writing to the Secretary of State.”.
