PART 6

The principal stage

CHAPTER 8

Procedure for principal stage

Alternative method for submission of principal stage form

60.—(1) Where OFCOM are satisfied that a bidder is unable to submit a principal stage form by using the electronic auction system because of technical failure (or an event or circumstance with similar effect on the bidder's ability to use the electronic auction system), OFCOM shall notify the bidder of an alternative method of submitting the principal stage form and any requirements relating to the authentication of communications made by means of the alternative method.

(2) The bidder must submit the principal stage form by means of the alternative method and must comply with any requirements which have been notified to it under paragraph (1) relating to the authentication of communications.
