### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace in the vicinity Bournemouth, Dorset, during flying displays and associated rehearsals for the general public that are scheduled to take place there on each day from 29th August 2018 to 2nd September 2018, inclusive. A number of aircraft will be involved in high energy manoeuvres during the displays and therefore the Civil Aviation Authority and the Department for Transport consider that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3, the term ‘aircraft’ includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(2) are Co-ordinated Universal Time (UTC), which for the purposes of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(3)(b), the Bournemouth Air Festival flying display director may be contacted on telephone number 07979 593941.

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice To Airmen (NOTAM).

The point of contact in the Civil Aviation Authority is Mr R E J Gratton, Principal Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 020 7453 6586.
