“Article 12

Notification and approval of breeding programmes carried out in the United Kingdom by breed societies or breeding operations approved in a member State

[^{F7}1. Where a breed society or breeding operation (within the meaning of Article 2 of the EU Regulation) approved either in accordance with Article 8(3) of the EU Regulation by a competent authority in a member State or by a competent authority in a third country in respect

of which the appropriate authority has made regulations under Article 35, or a breeding body entered into the list under Article 34(1), intends to carry out a breeding programme on animals kept in the United Kingdom, that breed society, breeding operation or breeding body must notify the competent authority of the constituent territory of the United Kingdom where the animals are to be kept.;

2. The notification provided for in paragraph 1 must—
 - (a) be sent to the competent authority at least 90 days before the intended commencement date of the breeding programme in the United Kingdom;
 - (b) be provided in English [^{F8}and other languages may also appear].

3. The competent authority of the constituent territory of the United Kingdom may, within 90 days from the date of receipt of the notification referred to in of paragraph 2(a), refuse to approve the carrying out on its territory of the breeding programme, where an approved breeding programme is already being carried out in the United Kingdom on purebred breeding animals of the same breed.

4. The competent authority of the constituent territory of the United Kingdom must inform the competent authority which has recognised the breed society [^{F9}, breeding operation or breeding body] about the result of the notification provided for in paragraph 1 of this Article and, where it refuses to approve the carrying out on its territory of the breeding programme, must provide a reasoned explanation for the refusal.

5. Failure by the competent authority of the constituent territory of the United Kingdom to reply to the notification referred to in paragraph 2(a) within 90 days from the date of receipt of that notification shall constitute approval.

6. Where the competent authority of the constituent territory of the United Kingdom refuses to approve the breeding programme in accordance with paragraph 3, the competent authority, on an application by the [^{F10}breed society, breeding operation or breeding body], must reconsider the refusal to approve the breeding programme, taking into account any new information provided.

7. The competent authority of the constituent territory of the United Kingdom may withdraw its approval of the breeding programme provided for under this Article where, for at least 12 months, no breeder in the constituent territory of the United Kingdom participates in that breeding programme.”.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the powers conferred by the European Union (Withdrawal) Act 2018 (c. 16) ('the Withdrawal Act') (in particular under section 8(1) and (2) of, and paragraph 21 of Schedule 7 to, that Act) in order to address failures of retained EU law to operate effectively and other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

These Regulations make amendments to EU Regulations in the field of zootechnical and genealogical conditions relating to pure-bred breeding animals and hybrid breeding pigs and the germinal products of these animals.

An impact assessment has not been produced for this instrument as no, or no significant, impact on the private or voluntary sector is foreseen.

Status:

Point in time view as at 31/12/2020.

Changes to legislation:

There are currently no known outstanding effects for the The Animal Breeding (Amendment) (EU Exit) Regulations 2019.
