

SCHEDULE 1

Amendments of primary legislation

PART 1

Amendments of Communications Act 2003

24.—(1) Section 79 (market power determinations) is amended as follows.

(2) After subsection (1) insert—

“(1A) In identifying or analysing a services market for the purposes of this Chapter, OFCOM must conduct a forward-looking assessment of the market, taking into account expected or foreseeable developments that may affect competition in the market.”

(3) Omit subsections (2), (3) and (7).
