

EXPLANATORY MEMORANDUM TO

THE OFFICIAL CONTROLS (ANIMALS, FEED AND FOOD) (AMENDMENT) (NORTHERN IRELAND) (EU EXIT) REGULATIONS 2019

2019 No. 272

1. Introduction

- 1.1 This explanatory memorandum has been prepared by Department for Environment, Food and Rural Affairs and is laid before Parliament by Act.
- 1.2 This memorandum contains information for the Joint Committee on Statutory Instruments.

2. Purpose of the instrument

- 2.1 The purpose of this instrument is to ensure that the Official Controls (Animals, Feed and Food) Regulations (Northern Ireland) 2007 (the 2007 Regulations) continue to be operable in Northern Ireland after the UK leaves the EU. The 2007 Regulations apply and enforce the animal health and welfare elements and certain feed and food elements of Regulation (EC) No.882/2004 in Northern Ireland.

Explanations

What did any relevant EU law do before exit day?

- 2.2 Regulation (EC) No.882/2004 establishes a framework of general rules for the official controls carried out to verify compliance with feed and food law and animal health and welfare rules. It provides for co-operation between Member States and the European Commission in respect of cases of non-compliance in feed and food law and allows the European Commission to carry out audits in Member States.

Why is it being changed?

- 2.3 The minor and technical changes made by the instrument are necessary to ensure that Northern Ireland legislation applying and enforcing retained EU law continues to operate effectively.

What will it now do?

- 2.4 This instrument will address deficiencies in the 2007 Regulations arising from withdrawal of the United Kingdom from the EU and ensure that it continues to be operable after the United Kingdom leaves the EU.

3. Matters of special interest to Parliament

4.2 The territorial application of this instrument is Northern Ireland.

5. European Convention on Human Rights

- 5.1 As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

6. Legislative Context

- 6.1 Regulation (EC) No.882/2004 governs the verification of compliance with feed and food law and animal health and welfare rules. It is applied and enforced in Northern Ireland by the 2007 Regulations which were made using the powers in section 2(2) of the European Communities Act 1972. The Official Feed and Food Controls (Northern Ireland) Regulations 2009 also provide for the execution and enforcement of Regulation (EC) 882/2004 in relation to policy areas for which the Food Standards Agency has responsibility. Regulation (EC) 882/2004 will be retained in UK law by the EU (Withdrawal) Act 2018.
- 6.2 In addition to this instrument, the Department will also introduce other instruments as part of the exit process which interact with the legislation amended by this instrument.
- 6.3 Section 8(1) of the European Union (Withdrawal) Act 2018 provides that a Minister of the Crown may by regulations make such provision as the Minister considers appropriate to prevent, remedy or mitigate any failure of retained EU law to operate effectively or any other deficiency in retained EU law arising from the withdrawal of the United Kingdom from the EU. The instrument is made in exercise of these powers.

7. Policy background

What is being done and why?

- 7.1 This instrument applies to feed and food law and animal health and welfare rules which are transferred matters for Northern Ireland under the Northern Ireland Act 1998. The UK Government remains committed to restoring devolution in Northern Ireland. This is particularly important in the context of EU Exit where we want devolved Ministers to take the necessary actions to prepare Northern Ireland for exit. We have been considering how to ensure a functioning statute book across the UK including in Northern Ireland for exit day in the absence of a Northern Ireland Executive. With exit day less than one year away, and in the continued absence of a Northern Ireland Executive, the window to prepare Northern Ireland's statute book for exit is narrowing. UK Government Ministers have therefore decided that in the interest of legal certainty in Northern Ireland, the UK Government will take through

the necessary secondary legislation at Westminster for Northern Ireland, in close consultation with the Northern Ireland departments. This is one such instrument.

- 7.2 The 2007 Regulations allow for the enforcement of rules on compliance with official controls for food and feed and animal health and welfare rules. The Government wishes to ensure that this legislation continues to be operable when the UK leaves the European Union.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

- 8.1 This instrument is being made using the power in section 8 of the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the EU. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this Explanatory Memorandum.

9. Consolidation

- 9.1 None.

10. Consultation outcome

- 10.1 The devolved administration in Northern Ireland has been consulted about this instrument. Given its technical nature, no public consultation was considered necessary.

11. Guidance

- 11.1 There is no guidance being issued for this instrument as it makes no more than minor technical EU exit amendments.

12. Impact

- 12.1 There is no significant, impact on business, charities or voluntary bodies.
- 12.2 There is no significant, impact on the public sector.
- 12.3 An Impact Assessment has not been prepared for this instrument because there are no significant impacts on business or on the public sector.

13. Regulating small business

- 13.1 The legislation applies to activities that are undertaken by small businesses.
- 13.2 This measure does not introduce duties or burdens on business. Businesses will not need to change their current practices as a result of this instrument.

14. Monitoring & review

- 14.1 No specific monitoring arrangements are needed.
- 14.2 As this instrument is made under the EU (Withdrawal) Act 2018, no review clause is required.

Part 2

Statements required when using enabling powers under the European Union (Withdrawal) 2018 Act

1. Sifting statement(s)

- 1.1 The Parliamentary Under Secretary of State for Rural Affairs and Biosecurity, Lord Gardiner of Kimble has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Official Controls (Animals, Feed and Food) (Amendment) (Northern Ireland) (EU Exit) Regulations 2019 should be subject to annulment in pursuance of a resolution of either House of Parliament (i.e. the negative procedure). This is the case because it addresses only technical deficiencies in EU derived United Kingdom legislation that will arise from withdrawal and will not introduce any new policy.”

2. Appropriateness statement

- 2.1 The Parliamentary Under Secretary of State for Rural Affairs and Biosecurity, Lord Gardiner of Kimble has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Official Controls (Animals, Feed and Food) (Amendment) (Northern Ireland) (EU Exit) Regulations 2019 does no more than is appropriate. This is the case because it makes only minor or technical amendments to the EU derived Northern Ireland legislation to ensure that it remains operative following the withdrawal of the United Kingdom from the European Union and will not introduce any new policy.”

3. Good reasons

- 3.1 The Parliamentary Under Secretary of State for Rural Affairs and Biosecurity, Lord Gardiner of Kimble has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action”.

- 3.2 It is important to ensure that the existing regime regarding official controls and compliance with those controls continues to operate on exit.

4. Equalities

- 4.1 The Parliamentary Under Secretary of State for Rural Affairs and Biosecurity, Lord Gardiner of Kimble has made the following statement:

“The instrument does not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts.”

- 4.2 The Parliamentary Under Secretary of State for Rural Affairs and Biosecurity, Lord Gardiner of Kimble has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In relation to the instrument I, Lord Gardiner of Kimble, have had due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010”.

4.3 Given the subject matter of the instrument being amended and the technical nature of this instrument, no opportunities to advance the matters set out in section 149(1) of the Equality Act 2010 arise.

5. Explanations

5.1 The explanations statement has been made in section 2 of the main body of this explanatory memorandum.
