2019 No. 421

The Alternative Fuel Labelling and Greenhouse Gas Emissions (Miscellaneous Amendments) Regulations 2019

PART 3

Enforcement

Amounts of civil penalty

14.—(1) The maximum civil penalty for each breach of regulation 4(1) by an infrastructure operator is £500 for each fuel dispenser or nozzle which does not meet the requirements of regulation 4(1).

(2) The maximum civil penalty for each breach of regulation 5(1) by a motor vehicle manufacturer is—

- (a) £100 for each relevant vehicle which is not labelled in accordance with the requirements of regulation 5(1)(a), and
- (b) £100 for each user manual which does not contain the information required by regulation 5(1)(b).

(3) The maximum civil penalty for each breach of regulation 6 by a motor vehicle dealer is—

- (a) £100 for each relevant vehicle which does not meet the requirements of regulation 6(a), and
- (b) £100 for each relevant vehicle which does not meet the requirements of regulation 6(b).
