IMI alerts

67.—(1) Where an alert has been sent by the General Medical Council before exit day under regulation 67 of the European Union (Recognition of Professional Qualifications) Regulations 2015 as they then had effect, the decision to send the alert continues to be appealable for the purposes of section 40 of the Medical Act 1983 (subject to the provisions of that Act) despite the repeal of section 40(1B).

(2) In disposing of such an appeal, the powers of the court (or the sheriff) are, instead of those set out in section 40(8) of the Medical Act 1983—

- (a) to dismiss the appeal, or
- (b) to allow the appeal and direct the Council to take such steps as the court (or the sheriff) thinks fit to draw the findings of the court to the attention of the European Commission.
