**The Tobacco Products (Traceability and
Security Features) Regulations 2019**

PART 1

Preliminary

Meaning of tobacco products supplied in the United Kingdom

3.—(1) For the purposes of these Regulations, tobacco products are supplied in the United Kingdom if, in the course of a business, a person—

- (a) supplies the product—
 - (i) for consumption in the United Kingdom or through the travel retail sector of the United Kingdom, or
 - (ii) with a view to it being supplied for consumption in the United Kingdom or through the travel retail sector of the United Kingdom,
- (b) offers or agrees to supply it in those circumstances, or
- (c) exposes or possesses it for supply in those circumstances,

and “supply in the United Kingdom” is to be construed accordingly.

(2) In the case of a cross-border distance sale of a product to a consumer located in the United Kingdom, the product is to be treated for the purposes of these Regulations as supplied in the United Kingdom.
