

## SCHEDULES

### SCHEDULE 3

Goods and technology relating to chemical and biological weapons

### PART 4

Rules for interpretation

#### **Principal element**

- 17.—(1) Any item (“A”) not listed in any of paragraphs 2 to 12 is included in this Schedule if—
- (a) an item listed in any of paragraphs 2 to 12 is a principal element of A, and
  - (b) that principal element can be removed and used separately.
- (2) Whether an item is a principal element of any other item shall be determined having regard to quantity, value, technological know-how and any other relevant factors.
