

## SCHEDULE 2

### Matters to be included in a registration application

#### **Details of the site and the applicant**

9.—(1) Whether the application for inclusion in the register is made in respect of—

(a) the applicant; or

(b) a person that the applicant has appointed to manage the site,

and the status of the relevant person in relation to the site.

(2) In sub-paragraph (1), “status of the relevant person” means, in relation to a site, whether the relevant person is—

(a) the occupier;

(b) a person appointed to manage the site by the occupier.
