2020 No. 1095

**The Air Quality (Domestic Solid Fuels
Standards) (England) Regulations 2020**

PART 6

Enforcement

Fixed penalties

18.—(1) An officer of a relevant local authority who has reason to believe that a person has committed an offence under these Regulations may issue that person a penalty notice in respect of the offence.

(2) A penalty notice is a notice offering a person the opportunity to discharge any liability to conviction for the offence to which the notice relates by paying a penalty in accordance with this Part.
