---

**2020 No. 1199**

**ELECTRONIC COMMUNICATIONS**

**The Wireless Telegraphy (Licence Award) Regulations 2020**

*Made - - - - 3rd November 2020*

*Coming into force 18th November 2020*

**THE WIRELESS TELEGRAPHY  
(LICENCE AWARD) REGULATIONS 2020**

PART 1

Introductory

1. Citation, commencement, and extent
2. Interpretation

PART 2

Application stage

3. Applications for the grant of a licence
4. Application
5. Meaning of existing spectrum holdings

PART 3

Qualification stage

CHAPTER 1

Qualification

6. Notification of names of applicants and associates
7. Recording of applicant group members
8. Subsequent changes to bidder groups
9. Changes to existing spectrum holdings
10. Fitness to hold a licence
11. Qualification to participate in the award process
12. Publication of names of qualified applicants
13. Withdrawal of an application
14. Determination of number of bidders

*Status: This is the original version (as it was originally made).*

## CHAPTER 2

Additional deposit and eligibility limit for the first principal stage round

15. Additional deposit before the first principal stage round
16. Determination of a bidder's eligibility limit for the first principal stage round

## CHAPTER 3

Recording of existing spectrum holdings and overall bid constraints

17. Recording of existing spectrum holdings
18. Determination of overall bid constraints

### PART 4

Award process

19. Principal stage, assignment stage and grant stage

### PART 5

The principal stage

## CHAPTER 1

Principal stage rounds

20. Principal stage rounds
21. Principal stage form
22. Principal stage bids
23. Number of principal stage rounds
24. Round prices for the first principal stage round
25. Determination of round prices for subsequent principal stage rounds
26. Round price for 3.6 GHz lots
27. Round price for 700 MHz individual frequency lots
28. Round price for 700 MHz paired frequency lots

## CHAPTER 2

Assignment of standing high bid status

29. Assignment of standing high bid status by OFCOM after the end of each principal stage round
30. Process for assigning standing high bid status: ranking the bidders
31. Process for assigning standing high bid status: ranking the bids
32. Process for assigning standing high bid status: assigning standing high bid status to the bids

## CHAPTER 3

Winning principal stage bids and determination of base price

33. Determination of the winning principal stage bids

34. Determination of base price
35. Determination of total base price

#### CHAPTER 4

##### Constraints on principal stage bids

36. Maximum and minimum number of principal stage bids for 3.6 GHz lots, 700 MHz individual frequency lots and 700 MHz paired frequency lots
37. Overall bid constraint rule
38. Number of principal stage bids following assignment of standing high bid status
39. Request by a bidder to carry forward its eligibility limit
40. Eligibility rule
41. Determination of a bidder's eligibility limit
42. Eligibility points used by a bidder
43. Eligibility event
44. Deposit constraint on bidding

#### CHAPTER 5

##### Information released during and following the principal stage

45. Notice to be given to bidders before each principal stage round
46. Notification of information to bidders after the end of each principal stage round
47. Publication of information at the end of each day during the principal stage
48. Notification of results of the principal stage to bidders
49. Publication of results of the principal stage

#### CHAPTER 6

##### Procedure for principal stage

50. Submission of principal stage form to OFCOM
51. Alternative method for submission of principal stage form
52. Incomplete or defective principal stage form
53. Notification that principal stage form is not valid

#### CHAPTER 7

##### Deposits during and following the principal stage

54. Deposits during the principal stage
55. Required final principal stage deposit

*Status: This is the original version (as it was originally made).*

## PART 6

### Assignment stage

#### CHAPTER 1

##### Overview

- 56. No assignment stage if there are no winning principal stage bidders
- 57. Assignment stage process

#### CHAPTER 2

##### Assignment of lots of a particular type without bidding

- 58. Assignment of numbered 3.6 GHz lots without bidding
- 59. Assignment of 700 MHz individual frequency lots without bidding.
- 60. Assignment of 700 MHz paired frequency lots without bidding

#### CHAPTER 3

##### Assignment of lots of a particular type by means of a bidding process (and negotiation period, if any)

- 61. Assignment of 3.6 GHz lots by bidding
- 62. Assignment of numbered 700 MHz individual frequency lots by bidding
- 63. Assignment of numbered 700 MHz paired frequency lots by bidding
- 64. Assignment stage round

#### CHAPTER 4

##### Assignment stage form

- 65. Assignment stage form
- 66. Valid assignment stage form
- 67. Notification that an assignment stage form is not valid

#### CHAPTER 5

##### 3.6 GHz lot assignment stage bidding

- 68. Bidding for numbered 3.6 GHz lots in the assignment stage
- 69. Preparing a 3.6 GHz assignment stage option list for each bidder
- 70. 3.6 GHz assignment stage bids

#### CHAPTER 6

##### 700 MHz individual frequency lot assignment stage bidding

- 71. Bidding for numbered 700 MHz individual frequency lots in the assignment stage
- 72. Preparing a 700 MHz individual frequency lot assignment stage option list for each bidder

73. 700 MHz individual frequency lot assignment stage bids

#### CHAPTER 7

##### 700 MHz paired frequency lot assignment stage bidding

74. Bidding for numbered 700 MHz paired frequency lots in the assignment stage
75. Preparing a 700 MHz paired frequency lot assignment stage option list for each bidder
76. 700 MHz paired frequency lot assignment stage bids

#### CHAPTER 8

##### Procedure for bidding in the assignment stage

77. Notice to bidders before the assignment stage round
78. Submission of assignment stage form to OFCOM
79. Alternative method for submission of assignment stage form
80. Incomplete or defective assignment stage form
81. Required assignment stage deposit

#### PART 7

##### Negotiation period for the assignment of 3.6 GHz lots

#### CHAPTER 1

##### Adjacency agreements

82. Full adjacency agreement
83. Partial adjacency agreement

#### CHAPTER 2

##### Procedure for the negotiation period

84. Notice to bidders before the negotiation period
85. Notice to OFCOM of bidders' desire to participate in the negotiation period

#### CHAPTER 3

##### Valid full adjacency agreement and valid partial adjacency agreement

86. Valid full adjacency agreement
87. Valid partial adjacency agreement
88. Additional required bids in the case of a partial adjacency agreement
89. Consequence of additional required bids
90. Rejection of full adjacency agreement forms submitted to OFCOM at a time outside the first phase and second phase of the negotiation period
91. Rejection of partial adjacency agreement forms submitted to OFCOM at a time outside the second phase of the negotiation period
92. Only one valid adjacency agreement

*Status: This is the original version (as it was originally made).*

93. First form delivered within a negotiation phase by a winning bidder for 3.6 GHz lots to be used by OFCOM
94. Incomplete or defective adjacency agreement forms
95. The end of the first phase of the negotiation period

#### PART 8

Ofcom's determination of the assignment of numbered lots and the additional prices

#### CHAPTER 1

Assignment of numbered 3.6 GHz lots where there is either a valid full adjacency agreement or one or more valid partial adjacency agreements

96. Determination of assignment of 3.6 GHz lots where there is a valid full adjacency agreement
97. Determination of the winning 3.6 GHz assignment stage bids where there are one or more valid partial adjacency agreements

#### CHAPTER 2

Ofcom's determination of assignment of numbered 3.6 GHz lots and additional prices where there is no valid full adjacency agreement and no valid partial adjacency agreement

98. Determination of the winning 3.6 GHz assignment stage bids where there is no valid full adjacency agreement and no valid partial adjacency agreement

#### CHAPTER 3

Determination of 3.6 GHz lot additional prices

99. Determination of 3.6 GHz lot additional prices where there is a valid full adjacency agreement
100. Determination of 3.6 GHz lot additional prices where there is one or more valid partial adjacency agreements
101. Determination of 3.6 GHz lot additional prices where there is no adjacency agreement

#### CHAPTER 4

Determination of assignment of numbered 700 MHz individual frequency lots and 700 MHz individual frequency lot additional prices

102. Determination of the winning 700 MHz individual frequency lot assignment stage bids
103. Determination of 700 MHz individual frequency lot additional prices

#### CHAPTER 5

Determination of assignment of numbered 700 MHz paired frequency lots and 700 MHz paired frequency lot additional prices

104. Determination of the winning 700 MHz paired frequency lot assignment stage bids

105. Determination of 700 MHz paired frequency lot additional prices

## CHAPTER 6

### Notification of results of the assignment stage

106. Notification of results of the assignment stage

## PART 9

### Grant Stage

## CHAPTER 1

### Licences available, the determination of licence fees and the particular frequencies

107. Interpretation  
108. Determination of licences, licence fees and frequencies associated with particular licences  
109. Licences which may be granted under this award process  
110. Licence fee payable by a winning bidder for a 3.6 GHz licence  
111. Licence fee payable by a winning bidder for a 700 MHz licence  
112. Particular frequencies to be included in 3.6 GHz licence granted to a winning bidder  
113. Particular frequencies to be included in 700 MHz lot licence granted to a winning bidder

## CHAPTER 2

### Total auction sum

114. Determination of the total auction sum payable by winning bidders to OFCOM  
115. Notification of the total auction sum payable by winning bidders to OFCOM  
116. Further payment where the amount of a winning bidder's deposit is less than its total auction sum

## CHAPTER 3

### Grant of licences

117. Entitlement to the grant of licences  
118. Grant of licences

## CHAPTER 4

### Completion of the award process

119. Refunds  
120. Notification to bidders following the grant of licences  
121. Completion of the award process

*Status: This is the original version (as it was originally made).*

PART 10

Forfeit of deposit and exclusion

- 122. Forfeit of deposit and exclusion from award process
- 123. Bids made by an excluded bidder
- 124. Events

PART 11

Miscellaneous

- 125. General power of exclusion
- 126. Notification to OFCOM
- 127. Changes to timing or location
- 128. Changes to round times and use of electronic auction system
- 129. Rerunning rounds
- 130. Refunds
- 131. Deposits  
Signature

---

SCHEDULE 1 — Lots

SCHEDULE 2 — Application form and warranty

SCHEDULE 3 — Document for member of applicant's applicant group or bidder group who is not an associate

Applicant/bidder

[Insert name of person to be included in applicant or bidder group who is not an associate]

SCHEDULE 4 — Determination of 3.6 GHz lot additional prices

- 1. Additional price
- 2. First requirement
- 3. Second requirement
- 4. Third requirement
- 5. Fourth requirement
- 6. Interpretation

SCHEDULE 5 — Determination of 700 MHz individual frequency lot additional prices

- 1. Additional price
- 2. First requirement
- 3. Second requirement
- 4. Third requirement
- 5. Fourth requirement
- 6. Interpretation

SCHEDULE 6 — Determination of 700 MHz paired frequency lot additional prices

- 1. Additional price
- 2. First requirement
- 3. Second requirement
- 4. Third requirement

5. Fourth requirement
6. Interpretation

SCHEDULE 7 — Frequency bands for existing spectrum holdings

SCHEDULE 8 — Partial adjacency agreement form

SCHEDULE 9 — Full adjacency agreement form

Explanatory Note
