2020 No. 1282

1. Introduction

- 1.1 This explanatory memorandum has been prepared by the Foreign, Commonwealth and Development Office and is laid before Parliament by Command of Her Majesty.

2. Purpose of the instrument

- 2.1 This instrument extends the Lebanon (Sanctions) (Assassination of Rafiq Hariri and others) (EU Exit) Regulations 2020 (S.I. 2020/617) (“the 2020 Regulations”), as amended from time to time, to all British overseas territories (except Bermuda and Gibraltar which implement sanctions through their own domestic legislation) with the modifications required to enable implementation and enforcement of the sanctions regime by the authorities in those territories (“the modified Regulations”).
- 2.2 It also extends to those British overseas territories, with suitable modifications and for the purposes of the modified Regulations, sections 44, 52(3) and 53 of the Sanctions and Anti-Money Laundering Act 2018 (“the Sanctions Act”) which are required to ensure the effective implementation in those territories of the modified Regulations.
- 2.3 It also implements in those territories the travel ban required by paragraph 3(a) of United Nations Security Council Resolution 1636 (2005) (“UNSCR 1636”) in relation to any persons named by the UN Security Council Committee established by that Resolution (“the UN Security Council Committee” (which is implemented in the United Kingdom by way of section 8B of the Immigration Act 1971).

 - (iii) a British protected person within the meaning of that Act, or

5. European Convention on Human Rights

- 5.1 As this instrument is not subject to parliamentary procedure, no statement is required.

6. Legislative Context

- 6.1 This instrument is made in exercise of statutory powers under Section 1 of the United Nations Act 1946 and sections 63(3)(c) and (4) of the Sanctions Act.
- 6.2 The 2020 Regulations were made on 18th June 2020 using the powers in Part 1 of the Sanctions Act and were laid before Parliament on 22nd June 2020. They are intended to ensure that the United Kingdom can operate an effective sanctions regime in relation to Lebanon in respect of the assassination of former Lebanese Prime Minister Rafiq Hariri and others after the end of the Transition Period. When these Regulations come into force, they will replace in the United Kingdom, with substantially the same effect, the EU sanctions regime relating to Lebanon in respect of the assassination of former Lebanese Prime Minister Rafiq Hariri and others that is currently in force under EU legislation and related United Kingdom regulations. The sanctions regime gives effect to the United Kingdom’s obligations under UNSCR 1636, which was adopted in response to the terrorist bombing in Beirut, Lebanon, on 14th February 2005 that killed former Lebanese Prime Minister Rafiq Hariri and others (“the 2005 bombing”). In particular, it provides for financial sanctions in respect of individuals who have been named by the UN Security Council Committee as suspected of involvement in the planning, sponsoring, organising or perpetrating of the 2005 bombing. The United Kingdom’s obligations under UNSCR 1636 in respect of immigration sanctions (“the UN travel ban”) are implemented in the United Kingdom separately by way of section 8B of the Immigration Act 1971.
- 6.3 Section 63(3)(c) of the Sanctions Act provides that Her Majesty may by Order in Council provide for any provision of Part 1 of that Act, or any regulations under Part 1 of that Act, to extend with or without modifications to any of the British overseas territories. Section 63(4) provides that this includes the power to extend any regulations as amended from time to time. This instrument extends to the Territories with relevant modifications both the 2020 Regulations and the provisions of the Sanctions Act required for the effective implementation in the Territories of the 2020 Regulations, namely in relation to protection for acts done for purposes of compliance, Crown application and saving for prerogative powers.

- 6.4 Section 1 of the United Nations Act 1946 provides that Her Majesty may by Order in Council make such provision as appears to Her necessary or expedient for enabling the effective application of certain measures where, under Article 41 of the Charter of the United Nations, the Security Council has called upon Her Majesty's Government in the United Kingdom to apply such measures to give effect to any decision of that Council. In accordance with subsection (2) of that section, such Orders in Council may extend to the British overseas territories. This instrument implements the UN travel ban in respect of this sanctions regime.

7. Policy background

What is being done and why?

- 7.1 Her Majesty's Government's ("HMG") policy on Lebanon includes the use of sanctions at the UN Security Council. UNSCR 1636 established a sanctions framework (including an asset freeze and travel ban) with the aim of bringing to justice those individuals designated by the international independent investigation Commission or the Government of Lebanon as suspected of involvement in the 2005 bombing; and to act as a deterrent against future assassinations in Lebanon. To date, no individuals have been designated.
- 7.2 The EU implements UN sanctions through EU Council Decisions and Regulations. The 2020 Regulations are intended to deliver substantially the same policy effects as those sanctions currently in force through EU legislation. In line with its international obligations under the Charter of the United Nations, the United Kingdom is committed to the implementation of UN sanctions in the Territories.
- 7.3 Therefore, this instrument extends the 2020 Regulations, and relevant provisions of the Sanctions Act, to the Territories, as well as implementing the UN travel ban, so that the sanctions measures in the Territories in relation to Lebanon in respect of the 2005 bombing, together with associated criminal offences and enforcement powers, align with the sanctions regime in the United Kingdom. Schedule 2 to this instrument sets out the modifications to be made to the 2020 Regulations as extended by article 2 so that they can be effectively implemented and enforced in the Territories.
- 7.4 In particular, the modified Regulations ensure that the financial sanctions measures in the 2020 Regulations apply with the same effect in the Territories in respect of individuals named by the UN Security Council Committee under paragraph 3(a) of UNSCR 1636. The Governor of the Territory is required to publish, and keep up to date, a list of any designated persons under this sanctions regime. This instrument also makes separate provision for persons named by the UN Security Council Committee under paragraph 3(a) of UNSCR 1636 to be excluded from the Territories.
- 7.5 The provisions in the 2020 Regulations in relation to licences which may be issued in respect of financial sanctions measures are modified by Schedule 2 of this instrument so that the licensing powers in the Territories are exercisable by the Governor of a Territory only with the consent of the Secretary of State. The modified Regulations also provide that a person's conduct outside the Territory will not contravene a prohibition under the modified Regulations if the conduct has been authorised by a licence issued by the Treasury under the 2020 Regulations; similarly, a person's conduct in another British overseas territory or a Crown Dependency will not contravene a prohibition under the modified Regulations if the conduct has been

authorised by a licence or similar authorisation issued under the law of that British overseas territory or Crown Dependency.

- 7.6 The modifications set out in Schedule 2 in relation to criminal penalties and enforcement powers are intended to ensure that the implementation and enforcement in the Territories of the Lebanon sanctions regime in respect of the 2005 bombing is aligned, as far as possible and reflecting the unique legal and governance arrangements in each Territory, with its implementation and enforcement in the United Kingdom.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

- 8.1 This instrument is not being made under the European Union (Withdrawal) Act but relates to the withdrawal of the United Kingdom from the European Union. This is because it extends the 2020 Regulations to the Territories and the 2020 Regulations replace in the United Kingdom, with substantially the same effect, the existing EU sanctions regime in relation to Lebanon in respect of the 2005 bombing. The Order in Council which currently implements the EU sanctions regime in the Territories will be revoked at the end of the Transition Period.

9. Consolidation

- 9.1 This instrument does not consolidate previous instruments.

10. Consultation outcome

- 10.1 Officials at the Foreign, Commonwealth and Development Office have engaged with the Territories on the approach to the extension to the Territories of sanctions regimes established under the Sanctions Act, including consultation on the approach to modifications and on the ‘model’ drafting to be included in the Orders in Council.

11. Guidance

- 11.1 The Foreign, Commonwealth and Development Office is working with the Territories to ensure that adequate information and guidance is published to ensure the effective implementation and understanding of the sanctions regime in the Territories.

12. Impact

- 12.1 The territorial extent of this instrument and the modified Regulations is the Territories: no, or no significant, impact is foreseen on business, charities or voluntary bodies in the United Kingdom.
- 12.2 There is no, or no significant, impact on the public sector in the United Kingdom.
- 12.3 An Impact Assessment has not been prepared for this instrument.

13. Regulating small business

- 13.1 The territorial extent of this instrument and the modified Regulations is the Territories: the legislation does not apply to activities that are undertaken by small businesses in the United Kingdom.

14. Monitoring & review

- 14.1 The Sanctions Act requires regular reviews of regulations made under section 1 of that Act. These obligations apply to the 2020 Regulations which are extended to the Territories by this instrument.
- 14.2 The UN sanctions are monitored and reviewed by the UN Security Council and by the UN Security Council Committee. If the UN sanctions are suspended or lifted by the Security Council, this instrument will be reviewed or revoked as necessary.
