PART 3

Amendments to retained direct EU legislation relating to animal health

Amendment of Commission Implementing Decision (EU) 2019/294

10.—(1) Commission Implementing Decision (EU) 2019/294 laying down the list of territories and third countries authorised for imports into the Union of dogs, cats and ferrets and the model animal health certificate for such imports⁽¹⁾ is amended as follows.

(2) In Article 1—

(a) in the heading—

(i) omit “territories or”;

(ii) omit “in accordance with [Directive 92/65/EEC](#)”;

(b) in paragraph 1, for the words before point (a) substitute—

“**1.** Consignments of dogs, cats or ferrets may only be imported into Great Britain if the third countries they come from and any third country they transit are included in one of the lists set out in:”;

(c) for paragraph 2 substitute—

“**2.** By way of derogation from paragraph 1, consignments of dogs, cats or ferrets destined for an approved body, institute or centre may only be imported into Great Britain if the third countries they come from, and any third countries they transit, are included in the list referred to in paragraph 1(b).

3. With respect to dogs, cats and ferrets, import conditions must be at least equivalent to those provided for in points (a) to (d) of Article 10(1), read subject to point (a) of Article 12(1), of Regulation (EU) No 576/2013.

4. Dogs, cats and ferrets must, during transport to the place of destination, be accompanied by a health certificate completed and signed by an official veterinarian of the third country of dispatch, who has attested that a clinical examination was carried out no more than 48 hours before the dispatch of the animals by a veterinarian authorised by the competent authority who has verified that, at the time of the clinical examination, the animals were fit to be transported for the intended journey.”.
