The Police (Conduct) Regulations 2020

PART 6

Reflective practice review process

Fact-finding stage

68.—(1) Enquiries made by the reviewer during the fact-finding stage must be reasonable, proportionate and relevant to the purpose, which is to establish the facts of the matter subject to the review process.

(2) Paragraphs (3) and (4) apply to a matter that has been referred under these Regulations to be dealt with under the reflective practice review process.

(3) If at any time during the fact-finding stage substantial evidence becomes available to the reviewer, which was not available to the appropriate authority when the matter was referred to be dealt with under the reflective practice review process, the reviewer must refer the matter to the appropriate authority for a further assessment under regulation 14.

(4) Where a matter is so referred for a further assessment, unless such further assessment is that the conduct, if proved, would amount to practice requiring improvement, the reflective practice review process must not be continued.
