**2021 No. 1001**

**The Tuberculosis in Animals (England) Order 2021**

**PART 2**

Measures applicable to animals specified in article 1(4)

**Identification and movement of deer**

**16.**—(1) A person must not move a deer onto or off any premises unless—

- (a) the deer is identified by an ear tag in a manner approved by the Secretary of State;
- (b) the move is made under the authority of a licence granted under the Disease (Control) (England) Order 2003<sup>(1)</sup>; and
- (c) the move is recorded in accordance with the Movement of Animals (Records) Order 1960<sup>(2)</sup>.

(2) A person must not move the carcass of a deer onto or off any premises other than in a manner approved by the Secretary of State.

(3) A person must not expose a deer for sale or cause or permit it to be exposed for sale in any market or sale-yard unless—

- (a) the deer has been identified in accordance with the provisions of paragraph (1)(a); and
- (b) such identification is so maintained as to be clearly legible.
