
STATUTORY INSTRUMENTS

2021 No. 1001

The Tuberculosis in Animals (England) Order 2021

PART 1

Introductory provisions

Approval of veterinary surgeons

- 3.—(1) The Secretary of State may approve a veterinary surgeon where—
- (a) the veterinary surgeon has undertaken any training as required by the Secretary of State; and
 - (b) the Secretary of State is of the opinion that the veterinary surgeon is suitable to carry out functions conferred on an approved veterinary surgeon by this Order.
- (2) The Secretary of State may by notice revoke any approval of a veterinary surgeon approved under this article, giving reasons for the revocation.
