(a) 2013 c. 29.

(b) S.I. 2015/878 (referred to in these footnotes as “the principal Regulations”); relevant amending instruments are S.I. 2017/598, 2018/490, 2019/881, 2020/438 and 2020/1300.

(c) In accordance with “the CRS” — defined in regulation 1(3A) of the principal Regulations as the common reporting standard for automatic exchange of financial account information developed by the Organisation for Economic Co-operation and Development, including the commentary on the common reporting standard — the United Kingdom exchanges information received from financial institutions under the principal Regulations with a territory which is a “Reportable Jurisdiction” under the CRS (see definition in section VIII(D)(4) of the CRS) and with which the United Kingdom has entered into international exchange arrangements for that year. Reportable Jurisdictions are identified in a published list available at <https://www.gov.uk/hmrc-internal-manuals/international-exchange-of-information/ieim402340>. A hard copy of this list is available for inspection at the offices of HMRC at 14 Westfield Avenue, 8th floor, Stratford, London, E20 1HZ.

Regulation 2 extends the application of the principal Regulations to arrangements entered into by the United Kingdom for the exchange of financial account information with other jurisdictions up to 20th April 2021, a date before these Regulations are made.

A Tax Information and Impact Note covering the International Tax Compliance Regulations 2015 was published on 18th March 2015 and is available on the HMRC website at <https://www.gov.uk/government/publications/tax-administration-regulations-to-implement-the-uks-automatic-exchange-of-information-agreements>. It remains an accurate summary of the impacts of the principal Regulations as amended.
