Form A: negative test result

Your coronavirus (COVID-19) test result is negative. You did not have the virus when the test was done.

You are not required to quarantine if you are travelling from a green-list country. If you are travelling from an amber list country and took the test on or before day 2 of your quarantine you must continue to quarantine until you have completed the 10-day quarantine period and received a negative test result for a test taken on day 8. If you took the test on day 8 and are travelling from an amber-list country you may stop quarantine when you have completed your 10-day quarantine period.

You should self-isolate again if:

- you get symptoms of coronavirus (COVID-19) – get an NHS coronavirus (COVID-19) test from www.gov.uk/get-coronavirus-test and self-isolate until you get the results

- you're going into hospital (self-isolating until the date you go in)

- someone you live with tests positive

- you have been traced as a contact of someone who tested positive

For advice on when you might need to self-isolate and what to do, go to www.nhs.uk/conditions/coronavirus-covid-19 and read 'Self-isolation and treating symptoms'.

Form B: positive test result

Your coronavirus test result is positive. You had the virus when the test was done.

Even if you have not had symptoms of coronavirus, you must self-isolate for 10 days from the day after your test date. Your test sample may be genome sequenced to check whether you have a virus variant of concern or variant under investigation.

People you live with or have travelled with should also self-isolate for 10 days from the day after you took a test.

If you received a positive test result for the test taken you do not need to take any further tests. People you are travelling with must still take a day 8 test if they have travelled from an amber list country.

You may be contacted for contact tracing and to check that you, and those who you live or are travelling with, are self-isolating.

You must not travel, including to leave the UK, during self-isolation.

Contact 111 if you need medical help. In an emergency dial 999.

Form C: unclear test result

Your coronavirus test result is unclear. It is not possible to say if you had the virus when the test was done.

You must take another test or self-isolate for 10 days from the day after your test date.

You may be contacted to check that you are self-isolating.

- 1.** In this Schedule—
- (a) “P” means a person required to undertake workforce tests under regulation 7 (requirement to undertake workforce tests);
 - (b) “workforce test” means any of the categories of workforce test described in regulation 7(6).

Requirement after failure to undertake test

2.—(1) Sub-paragraph (2) applies where P fails to undertake a workforce test that P is required by regulation 7 to undertake.

(2) Where this sub-paragraph applies, P must self-isolate in accordance with regulation 2 of the Self-Isolation Regulations until the earlier of—

- (a) the end of the 14th day after the day on which P arrived in England; or
- (b) the time P obtains a negative result from a workforce test.

(3) P must comply with any applicable obligations in regulation 7(2) during any period that P is required to self-isolate in accordance with sub-paragraph (2).

(4) Where P is required to self-isolate in accordance with sub-paragraph (2), regulation 2(2) of the Self-Isolation Regulations (meaning of self-isolate) applies as if it also permitted P to leave the place of self-isolation where necessary to undertake a workplace test.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Consequences of test results

3.—(1) Where a workforce test undertaken by P in accordance with regulation 7 generates a positive result—

- (b) P must self-isolate in accordance with regulation 2 of the Self-Isolation Regulations until the end of the 10th day after the day P undertook the test.

(2) Where sub-paragraph (1) applies—

- (a) if the test taken by P was a workforce test undertaken for day 2, P is not required to undertake a workforce test for day 5 or day 8;
- (b) if the test undertaken by P was a workforce test undertaken for day 5, P is not required to undertake a workforce test for day 8.

(3) Where a further test undertaken in accordance with sub-paragraph (1)(a) generates a negative result, this paragraph applies to P from the time P is notified of that negative result as if the workforce test undertaken by P in accordance with regulation 7 had generated a negative result (and accordingly, from that time, P is no longer required to self-isolate).

(4) Paragraph 11(4) and (5) (notification of test results) of Schedule 8 applies in relation to a further test undertaken pursuant to sub-paragraph (1)(a) as it applies to a test provider in relation to a test provided under Schedule 8.

(5) Where a workforce test undertaken by P in accordance with regulation 7 generates an inconclusive result, P must as soon as reasonably practicable undertake a further workforce test and that further workforce test is to be treated as a replacement workforce test within the meaning of regulation 7(4).

Duties on employers

4.—(1) An employer with more than 50 employees who is the employer of any person who is required to undertake workforce tests or has responsibility for any agency worker who is required to undertake workforce tests, must take reasonable steps to facilitate the taking of those tests by that person or agency worker in accordance with these Regulations.
