The School and Early Years Finance
(England) Regulations 2021

PART 3

Determination of Budget Shares etc.

CHAPTER 1

Requirements, and Factors and Criteria Taken into Account

Pupil numbers

13.—(1) In determining budget shares for primary and secondary schools, except in respect of nursery classes, a local authority must ascertain and take into account in its formula the number of pupils who were at those schools in accordance with paragraph (2) on the date specified in paragraph (3).

(2) For the purposes of paragraph (1), the number of pupils is $A - B$ where—

- (a) A is the total number of pupils in the school; and
- (b) B is the number of pupils in the school in respect of whom sixth form grant is payable.

(3) The date for ascertaining pupil numbers is 1st October 2020.

(4) Where—

- (a) there is or may be an increase to the published admission number at the school; or
- (b) the school is subject to a prescribed alteration that may lead to an increase in the number of pupils at the school,

the authority may, instead of ascertaining pupil numbers on 1st October 2020, include an estimate of pupil numbers.

(5) Where a primary school had more pupils in reception classes on 16th January 2020 than on 3rd October 2019, the local authority may take the number of additional pupils into account in its formula, and where it does so this factor must be applied to all primary schools in the area.

(6) A local authority must include in its formula a single per pupil amount of at least—

- (a) £2,000 for each of the pupils in reception classes and at key stages 1 and 2;
- (b) £3,000 for each of the pupils at key stage 3; and
- (c) £3,000 for each of the pupils at key stage 4.

(7) In this regulation, “published admission number” means the number of pupils in any relevant age group at the school determined by the admission authority under sections 88C and 88D of the 1998 Act⁽¹⁾.

(1) Sections 88C and 88D of the 1998 Act were inserted by section 151(1) and (4) of the Education and Skills Act 2008. For the meaning of “admission authority”, see section 88(1) of the 1998 Act.

Places

14.—(1) In determining budget shares for special schools, a local authority—

(a) must include £10,000 for each place other than—

(i) hospital education places; and

(ii) places for those who are over 18, unless they are aged 19 and are continuing to attend a particular course of secondary education which they began before they reached the age of 18; and

(b) must not include funding for places described in sub-paragraph (a)(ii).

(2) In determining budget shares for primary or secondary schools maintained by the local authority, with places which the authority has reserved for children with special educational needs, a local authority must—

(a) in the case of a place that was taken by a pupil on 1st October 2020, include £6,000 per place, and

(b) in all other cases except hospital education places, include £10,000 per place.

(3) In determining budget shares for pupil referral units, a local authority must include £10,000 for each place other than hospital education places.

(4) Paragraph (3) applies to places to be commissioned by schools or directly by a local authority.

(5) For each hospital education place referred to in paragraphs (1) to (3) the local authority must include at least the equivalent amount per hospital education place which the authority included in the budget share of the school or pupil referral unit, as the case may be, in the previous funding period.

(6) In determining budget shares under this regulation, a local authority must ensure that it funds places which may be taken by children who are not ordinarily resident in their area.

Social deprivation

15.—(1) In determining budget shares for schools maintained by it (other than special schools, pupil referral units and nursery schools), a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils at the schools maintained by it.

(2) The authority must base the incidence of social deprivation referred to in paragraph (1) on any or all of the following—

(a) a pupil's eligibility for free school meals on 1st October 2020;

(b) a pupil's eligibility for free school meals recorded in any school census between and including Summer 2014 and Spring 2020; and

(c) a pupil's LSOA rank on 1st October 2020,

and where it is based on an LSOA rank the authority may use factors which differentiate between different LSOA bands (that is, groupings of LSOA ranks set out in the document published by the Department for Education named "Schools Revenue Funding 2021 to 2022: Operational Guide"⁽²⁾).

(3) In determining budget shares under paragraph (1), the authority may take into account in its formula a single per pupil amount for each socially deprived pupil in reception classes and at key stage 1 and 2, and a single per pupil amount for each socially deprived pupil at key stage 3 and 4.

(4) In paragraph (3) a reference to a "socially deprived pupil" is to a pupil who has been determined as being such using the criteria in paragraph (2).

(2) Published in July 2020 and available at: <https://www.gov.uk/government/publications/pre-16-schools-funding-local-authority-guidance-for-2021-to-2022>. A printed copy may also be inspected at the Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT, on request.

- (5) Subject to regulation 25, other than in respect of two-year-olds, in determining—
- (a) budget shares for maintained nursery schools;
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
 - (c) amounts to be allocated to relevant early years providers in its area; and
 - (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils or children, and the determination of the incidence of social deprivation must be based on the characteristics of the pupils or children and not on the location of the school or provider.

- (6) In respect of two-year-olds, in determining—
- (a) budget shares for maintained nursery schools;
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
 - (c) amounts to be allocated to relevant early years providers in its area; and
 - (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority may take into account in its formula one or more factors based on the incidence of social deprivation in pupils or children, and the determination of the incidence of social deprivation must be based on the characteristics of the pupils or children and not on the location of the school or provider.

Special arrangements for pupils in maintained nursery schools and nursery classes and for children receiving relevant early years provision and community early years provision

- 16.—**(1) Subject to this regulation, in determining—
- (a) budget shares for nursery schools maintained by it;
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
 - (c) amounts to be allocated to relevant early years providers in its area; and
 - (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority must take into account in its formula the predicted total number of hours of attendance of pupils or children, basing the calculation on the most recent data available about the actual numbers of pupils or children.

(2) When further information about hours of attendance becomes available a local authority must—

- (a) review the budget share for each maintained nursery school, the amount allocated in respect of each nursery class and the amount allocated in respect of community early years provision; and
- (b) redetermine that budget share or amount allocated, as the case may be.

(3) When carrying out a review and redetermination under paragraph (2) the local authority must—

- (a) in the case where the local authority decides to fund only funded early years provision, take into account—
 - (i) the predicted total number of hours of attendance of pupils in the nursery school or nursery class, and of children being provided community early years provision, who

- will receive funded early years provision during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
- (ii) the actual total number of hours of such attendance for the period;
- (b) in the case where the local authority decides to fund early years provision in excess of funded early years provision, take into account—
- (i) the predicted total number of hours of attendance of pupils in the nursery school or nursery class, and of children being provided community early years provision, who will receive early years provision during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
- (ii) the actual total number of hours of such attendance for the period.
- (4) When further information about hours of attendance becomes available, a local authority must—
- (a) review the amount allocated to each relevant early years provider; and
- (b) redetermine the amount allocated.
- (5) When carrying out a review and redetermination under paragraph (4) the local authority must take into account—
- (a) the predicted total number of hours of attendance of children who will receive funded early years provision from the relevant early years provider, during the period (basing the calculation on the actual hours of such attendance in each of at least three sample weeks); or
- (b) the actual total numbers of hours of such attendance for the period.
- (6) Within 28 days of making any redetermination under paragraph (2) or (4), the local authority must give notice of the redetermination and the date on which it will be implemented to the governing body of the school, or the relevant early years provider concerned.
- (7) When making determinations under this regulation, a local authority may weight the predicted total number of hours of attendance of pupils or children, according to the special educational needs of any such pupils or children.
- (8) When determining—
- (a) budget shares for nursery schools maintained by it;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area;
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,
- a local authority may take into account in its formula the number of places it wishes to fund in the school, class or provider (instead of the predicted total number of hours of attendance), where the authority has reserved those places for children with special educational needs or children in need.
- (9) In paragraph (8) “children in need” means children in respect of whom the local authority in whose area they reside must provide a range of services appropriate to their needs under section 17 of the 1989 Act.

- (2) A child is eligible for early years pupil premium if the child—
- (a) is eligible for funded early years provision under regulation 3(3) of the Early Years Provision Regulations 2014;
 - (b) receives at least one hour of such provision; and
 - (c) either—
 - (i) the child’s parents are receiving one or more of the benefits in paragraph (3), or

(2) In determining (including redetermining) budget shares for schools maintained by it a local authority must include a factor which enables the local authority to—

- (a) deduct the amount (£19 x Z/365) per pupil from the budget share of a primary or secondary school, (other than a special school or pupil referral unit), if the governing body of that school enters into a Risk Protection Arrangement with the Secretary of State which commences on or after 1st April 2021;
- (b) deduct the amount (£19 x Z/365) per place from the budget share of a special school or pupil referral unit if—

(2) In particular, a local authority may include an additional sum in the budget share of each nursery school maintained by it.

Additional requirements, factors or criteria

21.—(1) In order to determine the budget shares for schools maintained by it (other than special schools, pupil referral units and nursery schools), a local authority—

(4) The requirements, factors and criteria set out in Schedule 3 may not be taken into account by a local authority on the basis of actual or estimated cost unless otherwise stated in that Schedule.

(5) Subject to paragraphs (7) and (8), where a school would otherwise receive a greater amount of redetermined adjusted budget share per pupil than it did in the previous funding period, the local authority may do one or both of the following—

- (a) determine a percentage beyond which the per pupil amount of redetermined adjusted budget may not increase;
- (b) determine a percentage by which the amount that the per pupil redetermined adjusted budget share would otherwise increase by will be reduced.

(6) In paragraph (5) “redetermined adjusted budget share for the previous funding period” and “redetermined adjusted budget share” have the same meanings as in Schedule 4.

(7) Where the local authority decides to take one or both of the actions described in paragraph (5) (a) and (b)—

- (a) this must be applied to the budget shares of all schools in the local authority’s area; and
- (b) the local authority must ensure that no school in the area receives a budget share that is less than the amount it would receive under regulation 22 (the minimum per pupil funding requirement).

- (8) Paragraph (5) does not apply to the determination of budget shares for—
- (a) special schools;
 - (b) pupil referral units;
 - (c) nursery schools; and

- (2) In this paragraph, the per pupil amount for a school is—

$$\frac{X}{Y}$$

Where—

Y is the number of pupils at the school.

- (3) In calculating X, the authority must—

 - (b) add any amount that is deducted under regulation 11(5) or (6), 19(2), 29 or 30(1);
 - (c) deduct any amount that is added under regulation 29 or 30(1).

Where—

A is the number of primary-age year groups in the school.

B is the number of key stage 3 year groups in the school.

C is the number of key stage 4 year groups in the school.

D is the primary-age year group value of £4,180.

(5) Where authorised to do so by the Secretary of State under regulation 31 (alternative arrangements), a local authority may—

- (a) vary the year group values D, E or F set out in paragraph (4) for all the schools that are subject to the formula decided by the authority under regulation 10(1), and
- (b) alter the operation of this regulation in respect of particular schools.

Minimum funding guarantee

23.—(1) Except as provided for in this regulation, in determining (including redetermining) budget shares for primary and secondary schools maintained by it, a local authority must ensure that an amount equal to the guaranteed funding level is included, calculated in accordance with Schedule 4 (minimum funding guarantee).

(2) For the purpose of determining budget shares, paragraph (1) does not apply to any school opening during the funding period, except in the circumstances set out in paragraph 3 of Schedule 4.

(3) Where authorised to do so by the Secretary of State under regulation 31 (alternative arrangements), a local authority may alter the operation of this regulation and Schedule 4 in determining (including redetermining) budget shares.

Early years 95 per cent requirement

24.—(1) In making determinations under regulation 11(9), a local authority must comply with the formula set out in this regulation.

(2) The formula is $(A - B) / C$ is no less than 95 percent of D, where—

(d) D is the hourly unit funding rate, notified to the local authority in the early years block.

10 per cent early years discretionary funding cap

25.—(1) A local authority must ensure that the total amount of discretionary funding does not exceed 10 per cent of early years allocations.

(2) In this regulation, “discretionary funding” means funding that is attributable to—

- (a) the factors based on the incidence of social deprivation in pupils or children referred to in regulation 15(5) (social deprivation), and
- (b) the requirements, factors and criteria set out in Part 2 of Schedule 3 which by virtue of regulation 21(3) a local authority may take into account in its formula.

(3) A local authority must redetermine the budget share of a secondary school before the end of the funding period where the authority receives a written notification from the Secretary of State of a revised allocation in respect of the sum referred to in paragraph (1).

New schools, merged schools and closing schools

27.—(1) Where in the funding period, but excluding 1st April 2021, a new maintained school opens, and is a replacement for two or more maintained schools that are discontinued during the funding period, a local authority must calculate the budget share of the new school by adding together the budget shares of the schools that have been discontinued.

- (2) Except where paragraph (1) applies, a local authority must determine a budget share for—
- (a) any new maintained school in its area, and
 - (b) any school that has opened since 1st April 2014 and does not yet have pupils in each year group for which the school proposes to provide education,

from the date of the school's opening on the basis of expected pupil numbers during the funding period estimated by the authority, and regulation 13 does not apply.

(3) Where a school to which paragraph (2) applies was funded on the basis of estimated pupil numbers in the previous funding period, the local authority may take account of any difference between estimated and actual pupil numbers in the previous funding period when estimating pupil numbers for the funding period.

(4) Where in the previous funding period or on 1st April 2021 a new maintained school opened or opens and is a replacement for two or more maintained schools that were discontinued during the previous funding period or on 1st April 2021, a local authority must include in the budget share of the new school an amount equal to 85% of the total amount which the schools that it replaced would have been allocated in their budget shares under paragraphs 1 and 2 of Schedule 3 (single sums) if the schools had not been discontinued.

(5) Where paragraph (4) applies, no single sum is to be included in the new school's budget share under paragraph 1 or 2 of Schedule 3.

(6) A local authority must determine a budget share for any maintained school in its area which is to be discontinued in the funding period up to the date when the school is discontinued in accordance with this Part.

(7) Where in the funding period, but excluding 1st April 2021, a maintained school is subject to a prescribed alteration as a result of a closure of a school, a local authority must redetermine the budget share of the enlarged school by adding to it the budget share of the school that has been discontinued.

(8) Where in the previous funding period or on 1st April 2021 a maintained school is subject to a prescribed alteration as a result of a closure of a school during the previous funding period or on

1st April 2021, a local authority must include in the budget share of the enlarged school an amount equal to 85% of the total amount which the schools whose provision it has replaced would have been allocated in their budget shares under paragraph 1 and 2 of Schedule 3 if the school had not been discontinued.

(9) Where in the funding period, but excluding 1st April 2021, a school has been established or is subject to a prescribed alteration as a result of the closure of a school, a local authority may add an amount to the budget share of the new or enlarged school to reflect all or part of the unspent budget share (including any surplus carried over from previous funding periods) of the closing school for the funding period in which it closes.

(10) A local authority may change the operation of this regulation where authorised to do so by the Secretary of State under regulation 31 (alternative arrangements).

Federated schools

28.—(1) Subject to paragraphs (2) and (3), where two or more maintained schools are federated under section 24 of the 2002 Act, the local authority must determine a budget share for each school in accordance with Part 3 of these Regulations.

(2) After carrying out the determination under paragraph (1) the local authority may treat the schools as a single school for the purposes of these Regulations and, accordingly, allocate a single budget share to the governing body of the federation.

(3) Where the local authority decides to allocate a single budget share to the governing body of a federation under paragraph (2), it must determine it by combining the budget shares of all the schools that form part of that federation.

(4) Where one or more schools are to leave a federation which has been allocated a single budget share under paragraph (2), the local authority must—

- (a) determine the budget share for each of the leaving schools, and
- (b) redetermine the budget share for the federation,

in accordance with Part 3 of these Regulations.
