2021 No. 745

The Ecodesign for Energy-Related Products
and Energy Information Regulations 2021

PART 2

Ecodesign for Energy-Related Products

CHAPTER 2

REFRIGERATING APPLIANCES WITH A DIRECT SALES FUNCTION

Verification procedure for market surveillance purposes

12. The market surveillance authority must use the verification procedure set out in Schedule 5 when verifying the compliance of a product with the requirements of these Regulations.
