The Ecodesign for Energy-Related Products
and Energy Information Regulations 2021

PART 3

Energy Information

ENERGY LABELLING OF REFRIGERATING
APPLIANCES WITH A DIRECT SALES FUNCTION

Obligations of internet hosting platforms

48. Where a hosting service provider as referred to in regulation 19 of the Electronic Commerce (EC Directive) Regulations 2002⁽¹⁾ allows the direct selling of refrigerating appliances with a direct sales function through its internet site, the service provider must—

- (a) enable the showing of the electronic label and the product information sheet provided by the dealer on the display mechanism in accordance with the provisions of Schedule 27; and
- (b) inform the dealer of the obligation to display them.

⁽¹⁾ S.I. 2002/2013.
