#### STATUTORY INSTRUMENTS

# 2021 No. 792

# The Space Industry Regulations 2021

## PART 5

## Grant of a spaceport licence

#### CHAPTER 1

# Interpretation

#### Interpretation

#### 34. In this Part—

- "actual vehicle" means a launch vehicle or carrier aircraft in respect of which there is an operator applicant;
- "applicant" means an applicant for a spaceport licence;
- "licensed activities" means the activities that a person is authorised to carry out by virtue of a spaceport licence;
- "operator applicant" means a person who is applying, has applied or intends to apply for a launch operator licence or a return operator licence to authorise spaceflight activities at the proposed spaceport;
- "the proposed spaceport" means the site in respect of which an application for a spaceport licence is being, or has been, made;
- "representative vehicle" means a launch vehicle or a carrier aircraft of the type that the applicant considers most likely to be used to carry out spaceflight activities at the proposed spaceport;
- "safety case" is to be construed in accordance with regulation 36;
- "safety clear zone" means an area which will be subject to restrictions, exclusions and warnings during the carrying out of hazardous pre-flight and post-flight operations;
- "siting assessment" means an assessment carried out under regulation 38.
