2021 No. 792

The Space Industry Regulations 2021

PART 3

Grant of a licence – general

CHAPTER 1

Eligibility criteria and prescribed roles for licensees

Licensee’s duty to ensure necessary resources for individuals in prescribed roles

12. Where a licensee is required to appoint an individual to undertake a prescribed role under this Part, the licensee must ensure that the individuals appointed have the necessary resources and means to carry out their duties.
