CHAPTER 2

Physical and personnel security

Access control to space sites: approval of suppliers

- 179.**—(1) A person wishing to be a supplier to a licensee must apply to the licensee for approval.
- (2) An application made under paragraph (1) must identify—
- (a) the identity of the intending supplier,
 - (b) details of the supplies that the intending supplier proposes to provide,
 - (c) the space site where the supplies are to be delivered,
 - (d) details of individuals who will need access to the space site to deliver supplies, and
 - (e) details of the intending supplier’s security procedures that describe how supplies are protected from unauthorised interference or tampering.
- (3) The licensee must provide the applicant with guidance which sets out how the application is to be assessed.
- (4) In this regulation “supplier” means a person who provides any items intended to be used, sold or made available for any purpose or activity on the space site.
