**PART 7**

**Training, qualifications and medical fitness**

**CHAPTER 2**

**The training manager**

**The training manager's functions**

- 63.**—(1) The training manager has the following functions—
- (a) organising and managing such instructors and medical staff, facilities and equipment as are sufficient and appropriate to comply with the licensee's obligations under this Part;
  - (b) reviewing, and where appropriate, supervising the training provided by instructors, making improvements to training activity where possible, and ensuring that any unsafe training practices are corrected;
  - (c) reviewing the progress of relevant individuals;
  - (d) ensuring that the training is kept up to date, and that it meets the needs of all the activities which the licensee is licensed to carry out;
  - (e) establishing a system to record and document all training activity undertaken by the licensee, with information on the progress of each relevant individual ("RI"), including—
    - (i) whether each RI has completed the training relevant to that individual,
    - (ii) whether each RI has met the approved performance criteria necessary to be qualified to perform the RI's role, and
    - (iii) the results of any tests undertaken by an RI;
  - (f) maintaining records of all medical examinations and medical assessments carried out in relation to RIs;
  - (g) administering any informed consent process required by Part 12.
- (2) If a spaceport licensee or a return operator licensee does not have a training manager, they must make alternative arrangements to carry out the functions specified in paragraph (1)(a), (b) and (d).
