PART 1

Climate change governance etc. requirements

General and interpretation

25. Where this Part provides that trustees must meet a requirement “as far as they are able”, the trustees are required to take all such steps as are reasonable and proportionate in the particular circumstances taking into account—

- (a) the costs, or likely costs, which will be incurred by the scheme; and
- (b) the time required to be spent by the trustees, or any person to whom the trustees have delegated responsibility,

in taking such steps.
