## EXPLANATORY NOTE

*(This note is not part of the Order)*

In relation to England, the small business non-domestic rating multiplier is calculated in accordance with paragraph 3 of Schedule 7 to the Local Government Finance Act 1988 for each financial year when new rating lists are not being compiled.

Item B in those calculations will be the retail prices index for September of the preceding financial year, unless the Treasury by order specify a lower amount.

New rating lists are not being compiled for the financial year beginning on 1st April 2021 (“2021-22”). This Order specifies that for 2021-22 the amount for item B will be 291.

The Order will only come into force if it is approved by resolution of the House of Commons before the House approves the local government finance report for 2021-22.

An impact assessment has not been produced for this instrument as no negative impact on the costs of the private or voluntary sectors is foreseen.
