

## SCHEDULES

### SCHEDULE 7

Article 31

#### LAND OF WHICH TEMPORARY POSSESSION MAY BE TAKEN

<p><b>Commencement Information</b></p> <p><b>II</b> Sch. 7 in force at 7.12.2022, see <a href="#">art. 1</a></p>		
--	--	--

<i>(1)</i> <i>Plot Reference Number shown on Land Plans</i>	<i>(2)</i> <i>Purpose for which temporary possession may be taken</i>	<i>(3)</i> <i>Relevant part of the authorised development</i>
<b>Land Plans – Sheet 1</b>		
1/1h	Required for works to improve the M67 Junction 4 roundabout, the construction of a drainage ditch, and the creation of a new public right of way	Work Nos. 3, 7, 40
1/6a	Required for works to improve the M67 Junction 4 roundabout, the construction of a drainage ditch, and the creation of a new public right of way	Work Nos. 3, 7, 40
1/9c	Required for access to and creation of new culverts for structural inspections and maintenance and the construction of new drainage ditches to the north of the A57 link between M67 and Roe Cross Road	Work Nos. 36, 40
<b>Land Plans – Sheet 2</b>		
2/1c	Required for works to culverted watercourses and to create new watercourse	Work Nos. 36, 41
2/1d	Required for the creation of access and egress points serving land situated south of Edge Lane and for works to culverted watercourses and to create new watercourse	Work Nos.. 9, 36, 41
2/1e	Required for the creation of new public rights of way, north and south of the proposed new dual carriageway	Work No. 7
2/1h	Required for the creation of new public rights of way, north and south of the proposed new dual carriageway and for the diversion of Hurstclough Brook	Work Nos. 7, 43

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
2/1j	Required for the construction of new drainage ditches.	Work No. 40
2/2a	Required for the construction of the proposed Roe Cross Road Bridge and retaining walls to Mottram Underpass and for the creation of drainage ditches	Work Nos. 32, 40
2/2d	Required for the construction of the proposed Roe Cross Road Bridge and retaining walls to Mottram Underpass	Work No. 32
2/2f	Required for the construction of the proposed Roe Cross Road Bridge and retaining walls to Mottram Underpass	Work No. 32
<b>Land Plans – Sheet 3</b>		
3/2x	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/2aa	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/2bb	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/2cc	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/3e	Required for the construction of a new section of the eastbound A57 dual carriageway, new watercourses and utility diversions	Work Nos. 5, 44, 58
3/3f	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/3h	Required for the construction of a new section of the eastbound A57 dual carriageway, new watercourse and the diversion of buried power cables	Work Nos. 5, 44, 61
3/14	Required for the realignment of Old Hall Lane and the creation of a means of access and egress to the south of land currently known as the Showground	Work Nos. 10, 11

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
3/15b	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/16b	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/17a	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/18	Required for the realignment of Old Hall Lane	Work No. 10
3/20a	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/22b	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work Nos. 11, 66
3/22c	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/22d	Required for the construction of new watercourses to manage local drainage	Work No. 44
3/22e	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work Nos. 11, 66
3/24	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/25	Required for the construction of new watercourses to manage local drainage	Work No. 44
3/27b	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/27c	Required for the construction of a new section of the eastbound A57 dual carriageway, the diversion of a water sewerage pipe, the construction of new watercourses to manage local drainage and diversion of water sewerage pipes	Work Nos. 5, 44, 58

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
3/27d	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/28a	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/28b	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
3/29	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
<b>Land Plans – Sheet 4</b>		
4/3a	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
4/8b	Required for the construction of an earthworks screening bund	Work No. 48
4/9	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
4/10a	Required for the creation of means of access and egress to the south of the land currently known as the Showground	Work No. 11
4/10c	Required for the diversion of buried power cables	Work No. 61
4/12c	Required for the creation of means of access and egress to the south of the land currently known as the Showground and the development of a short cul de sac to the west of the proposed Mottram Moor Junction	Work Nos. 11, 17, 66
4/12d	Required for the diversion of buried power cables	Work No. 61
4/13a	Required for the creation of a footpath between the Mottram Moor Junction and the existing footpath, the creation of a culvert to carry an unnamed watercourse and a diversion of Tara Brook south	Work Nos. 21, 36, 45
4/13c	Required for the creation of a footpath between the Mottram Moor Junction and the existing footpath the creation of a culvert to carry Tara	Work Nos. 21, 36, 45, 48

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
	Brook, a diversion of Tara Brook and the construction of an earthworks screening bund	
4/13f	Required for the creation of a private access track for the maintenance of a pond	Work No. 20
4/13h	Required for the creation of a culvert to carry Tara Brook, a diversion of Tara Brook and the construction of various drainage ditches	Work Nos. 36, 45, 46
4/13i	Required for the construction of a drainage retention pond, the diversion of Tara Brook and the diversion of existing water main	Work Nos. 38, 45, 59
4/13k	Required for the construction of various drainage ditches and the construction of an earthworks screening bund	Work Nos. 46, 48
4/14b	Required for the diversion of buried power cables	Work No. 61
4/20	Required for the creation of a private access track for the maintenance of a pond	Work No. 20
4/22b	Required for the diversion of existing water main and the diversion of Tara Brook	Work Nos. 59, 45
<b>Land Plans – Sheet 5</b>		
5/1a	Required for the construction of various drainage ditches and the construction of an earthworks screening bund	Work Nos. 46, 48
5/1c	Required for the realignment of Carrhouse Lane and the construction of various drainage ditches	Work Nos. 23, 46
5/1e	Required for the creation of a new bridleway, the construction of the A57 Link Road and the realignment of Carrhouse Lane	Work Nos. 14, 22, 23
5/1g	Required for the construction of the A57 Link Road and the realignment of Carrhouse Lane	Work Nos. 22, 23
5/1h	Required for the realignment of Carrhouse Lane	Work No. 23
5/1k	Required for the realignment of Carrhouse Lane and the construction of various drainage ditches	Work Nos. 23, 46
5/2	Required for the construction of the A57 Link Road and the creation of a private, field access track from Carrhouse Lane to a field east of Carrhouse Lane	Work Nos. 22, 24

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
5/3	Required for the realignment of Carrhouse Lane, together with a new access track and public footpath, including associated earthworks and drainage	Work No. 23
5/6a	Required for the creation of a private, field access track from Carrhouse Lane to a field east of Carrhouse Lane	Work No. 24
5/6d	Required for the realignment of Carrhouse Lane, together with a new access track and public footpath, including associated earthworks and drainage	Work No. 23
5/7b	Required for the construction of various drainage ditches	Work No. 46
5/7c	Required for the realignment of Carrhouse Lane, together with a new access track and public footpath, including associated earthworks and drainage	Work No. 23
5/7e	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/7g	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/7h	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/8	Required for the construction of various drainage ditches	Work No. 46
5/9a	Required for the creation of a private, field access track from Carrhouse Lane to a field east of Carrhouse Lane and the construction of various drainage ditches	Work Nos. 24, 46, 66
5/9c	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/9e	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/9f	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
5/9g	Required for the creation of a new access track to Carrhouse Lane Farm	Work No. 56
<b>Land Plans – Sheet 6</b>		
6/1a	Required for the diversion of a footpath facilitating a private access track to Pond 3	Work Nos. 25, 36, 46

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
	and access to an existing maintenance track, the creation of a culvert to carry a drainage ditch and the construction of various drainage ditches	
6/1c	Required for the construction of various drainage ditches	Work Nos. 46, 66
6/2c	Required for the diversion of a footpath facilitating a private access track to Pond 3 and access to an existing maintenance track, plus the construction of various drainage ditches	Work Nos. 25, 46, 66
6/2e	Required for the diversion of a footpath and the creation of new access tracks, the construction of the proposed River Etherow bridge, the creation of a culvert to carry drainage ditch and the construction of various drainage ditches	Work Nos. 25, 35, 36, 46
6/2f	Required for the construction of the proposed River Etherow bridge, the construction of various drainage ditches and the establishment of environmental mitigation and enhancement	Work Nos. 35, 46, 50
6/2h	Required for the construction of various drainage ditches	Work No. 46
6/2k	Required for the construction of the proposed River Etherow bridge and the construction of various drainage ditches	Work Nos. 35, 46
6/2m	Required for the construction of various drainage ditches	Work No. 46
6/2p	Required for the construction of an at grade signalised T-Junction	Work No. 27
6/2q	Required for the creation of a bridleway along the south side of A57 Link Road and road widening and resurfacing	Work Nos. 26, 28
6/2r	The creation of a bridleway along the south side of A57 Link Road, the construction of an at grade signalised T-Junction and the construction of a new private access	Work Nos. 26, 27, 30
6/3a	Required for the construction of various drainage ditches	Work Nos. 46, 66
6/3d	Required for the diversion of a footpath and creation of an access track	Work No. 25

**Changes to legislation:** There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7. (See end of Document for details)

(1) <i>Plot Reference Number shown on Land Plans</i>	(2) <i>Purpose for which temporary possession may be taken</i>	(3) <i>Relevant part of the authorised development</i>
6/5	Required for the construction of an at grade signalised T-Junction and the creation of controlled pedestrian/cycle crossing	Work Nos. 27, 29
6/6	Required for the construction of an at grade signalised T-Junction and the creation of controlled pedestrian/cycle crossing	Work Nos. 27, 29
<b>Land Plans – Sheet 7</b>		
7/1a	Required for the establishment of a construction compound and the undertaking of associated construction activities	All works
7/1c	Required for the establishment of a construction compound and the undertaking of associated construction activities	All works
<b>Land Plans – Sheet 8</b>		
8/7a	Required for the creation of an earthwork screening bund	Work No. 48
8/8a	Required for the creation of a footpath between the new Mottram Moor Junction and existing footpath, creation of a culvert to carry Tara Brook, the diversion of Tara Brook and the location of bat boxes installed on existing trees	Work Nos. 21, 36, 45, 50
8/8d	Required for the creation of a footpath between the new Mottram Moor Junction and existing footpath and the diversion of Tara Brook	Work Nos. 21, 45
<b>Land Plans – Sheet 9</b>		
9/7a	Required for the realignment of Carrhouse Lane and the construction of various drainage ditches	Work Nos. 23, 46
9/7e	Required for the realignment of Carrhouse Lane, together with a new access track and public footpath, including associated earthworks and drainage	Work No. 23
9/9a	Required for the realignment of Carrhouse Lane and the construction of various drainage ditches.	Work Nos. 23, 46
9/16	Required for the realignment of Carrhouse Lane, together with a new access track and public footpath, including associated earthworks and drainage	Work No. 23

**Changes to legislation:**

There are currently no known outstanding effects for the The A57 Link Roads Development Consent Order 2022, SCHEDULE 7.
