Information for passengers

**PART 1**

**Essential information to enter England from overseas**

All persons arriving in the UK must fill in a Passenger Locator Form before arrival.

Before departure to the UK check if any of the countries you have visited in the last 10 days are on the red list.

If you have visited a country on the red list you must follow the red list rules.

If you have not visited any countries on the red list, what you have to do depends on your vaccination status. Check the rules before you travel at [gov.uk/coronavirus](https://www.gov.uk/coronavirus).

Public health requirements may vary depending upon which nation of the UK you are travelling to. Check the relevant website if your final destination is in Northern Ireland, Scotland or Wales.

Failure to comply with these measures is a criminal offence and you could be fined. There are a limited set of exemptions from these measures. You may be fined if you fraudulently claim an exemption.

**PART 2**

**Onboard announcement**

The following is a public health message on behalf of the UK’s public health agencies.

If you are not fully vaccinated or do not meet the eligibility criteria, you must take a test before the end of day 2 after you arrive.

The symptoms of coronavirus are a new continuous cough, a high temperature or a loss of, or change in, normal sense of taste or smell. If you experience any of these symptoms, however mild, you are advised to make yourself known to the crew.

Please follow the Public Health guidance for the area you are living or travelling in.
