## SCHEDULE 12

### PROTECTIVE PROVISIONS

#### PART 4

#### PROTECTIVE PROVISION FOR THE HOBSON'S CONDUIT TRUST

##### **Notification, approval, protective works**

**33.** Network Rail must give to the engineer 14 days' notice of its intention to commence the construction of any of the specified or protective works (unless otherwise agreed in writing by Network Rail and the Trust), save in the case of an emergency in which case Network Rail must give such notice as may be reasonably practicable.
