The Bridgwater Tidal Barrier Order 2022

PART 2

WORKS PROVISIONS

Streets and rights of way

Temporary stopping up and diversion of streets

11.—(1) The Agency may, during and for the purposes of the execution of the authorised works, temporarily stop up, alter or divert any street and may for any reasonable time—

- (a) divert the traffic from the street, and
- (b) subject to paragraph (2), prevent all persons from passing along the street.

(2) Without limitation on the scope of paragraph (1), the Agency may use any street stopped up under the powers conferred by this article within the Order limits as a temporary working site.

(3) The Agency must provide reasonable access for pedestrians going to or from premises abutting a street affected by the exercise of the powers conferred by this article if there would otherwise be no such access.

(4) Without limitation on the scope of paragraph (1), the Agency may exercise the powers conferred by this article in relation to the streets specified in columns (1) and (2) of Schedule 2 (streets to be temporarily stopped up) to the extent specified in column (3) of that Schedule.

(5) The Agency must not exercise the powers conferred by this article—

- (a) in relation to any street specified in Schedule 2 (streets to be temporarily stopped up) without first consulting the street authority;
- (b) in relation to any other street, without the consent of the street authority, which may attach reasonable conditions to any consent, but such consent must not be unreasonably withheld.

(6) Any person who suffers loss by the suspension of any private right of way under this article is entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

(7) If a street authority which receives an application for consent under paragraph (5)(b) fails to notify the Agency of its decision before the end of the period of 28 days beginning with the date on which the application was made, that authority is deemed to have granted consent.
