2022 No. 547

The Fire Safety (England) Regulations 2022

Provision of documents to local fire and rescue authority

11. The responsible person in relation to a high-rise residential building must provide the local fire and rescue authority by electronic means with the documents specified in—

- (a) regulation 5 (design and materials in external walls); and
- (b) regulation 6 (floor plans and building plan).
