PART 2

PRINCIPAL POWERS

Limits of deviation

8.—(1) In carrying out the authorised development the undertaker may, so far as the undertaker considers it necessary or convenient—

- (a) deviate laterally from the lines or situations of the authorised development shown on the works plans to the extent of the limits of deviation shown on those plans;
- (b) deviate laterally from the routes shown on the streets, rights of way and access plans to the extent of the limits of deviation shown on those plans; and
- (c) deviate vertically from the levels of the authorised development shown on the engineering section drawings, to a maximum of 1 metre upwards or 1 metre downwards.

(2) The maximum limits of deviation set out in paragraph (1) do not apply where it is demonstrated by the undertaker to the Secretary of State's satisfaction and the Secretary of State, following consultation with the relevant planning authority and, in respect of the authorised development comprising highways other than a special road or a trunk road, the relevant local highway authority, certifies accordingly that a deviation in excess of these limits would not give rise to any materially new or materially different environmental effects from those reported in the environmental statement.
