2023 No. 1007

The Product Security and Telecommunications
Infrastructure (Security Requirements for
Relevant Connectable Products) Regulations 2023

Importer retention of statement of compliance

9. Where a statement of compliance is required under section 15(2) (statements of compliance) to make a product available in the United Kingdom, the importer of the product must retain a copy of the statement of compliance relating to the product for whichever is the longer of—

- (a) a period of 10 years beginning with the date on which the statement of compliance was issued, and
- (b) the defined support period for the product set out in the statement of compliance.
