2023 No. 1247

The Non-Domestic Rating (Heat Networks Relief) (England) Regulations 2023

Meaning of heat network

3. For the purposes of paragraph 6(2) of Schedule 4ZA to the Act, “heat network” means a facility which supplies thermal energy from a central source to other locations for the purposes of—

- (a) space heating,
- (b) space cooling, or
- (c) heating domestic water.
