(7) Condition 1 is met where there exists a substantial difference between the knowledge and skill evidenced by the specified state qualification and the prescribed knowledge and skill.

(8) Condition 2 is met where the professional activities to which a primary UK qualification relates include one or more professional activities that cover substantially different matters from those covered by the specified state qualification.

(9) Condition 3 is met where requiring a person who holds the specified state qualification to pass an aptitude test or successfully to complete an adaptation period, or to do both, would amount to requiring the person to acquire a primary United Kingdom qualification.”.

12. After section 21B, insert—

“21BA Further provision relating to the registration of specified state professionals

(1) This section applies where a specified state professional applies to be registered under section 21B and the person’s specified state qualification is not an acceptable overseas qualification.

(2) This section does not apply if the specified state qualification is not an acceptable overseas qualification because Condition 3 is met in relation to it (see section 21B(9)).

Status: This is the original version (as it was originally made).

(3) Where this section applies, the General Council must specify what aptitude test or adaptation period, or aptitude test and adaptation period, must be passed or successfully completed by the person.

(4) An aptitude test or adaptation period specified under this section, or an aptitude test and adaptation period together specified under this section, must be proportionate to the difference sought to be addressed.

(5) The General Council must give a person their reasons for specifying an aptitude test or an adaptation period, or both, in relation to the person under this section, if the person makes a written request for them.

(6) If the General Council specify aptitude tests in relation to persons under this section, the Council must ensure that such tests are scheduled with reasonable frequency and at least once a year.

(7) The General Council may require a specified state professional who wishes to be registered under section 21B to demonstrate that the person possesses the language skills necessary to the practice of a fully registered medical practitioner.

(8) A language test required by the General Council under subsection (7) must be proportionate to the level of language skills referred to in that subsection.”.

13. After section 29G (guidance)(**13**), insert—

“29GA Information for specified state professionals

(1) The General Council must make information about the following matters available to specified state professionals—

- (a) the relevant laws to be applied regarding disciplinary action, financial responsibility or liability and other relevant matters;
- (b) the principles of discipline and enforcement of professional standards, including disciplinary jurisdiction and consequential effects on practising professional activities;
- (c) the processes and procedures for the ongoing verification of competence;
- (d) the criteria for, and procedures relating to, erasure from the register;
- (e) the documentation required of specified state professionals and the form in which it should be presented; and
- (f) the documents and certificates issued in relation to professional qualifications or other conditions that apply to the practice of registered medical practitioners that are acceptable to the General Council.

(2) The General Council must deal promptly with enquiries from specified state professionals about conditions that apply to the practice of registered medical practitioners.”.

14. In section 32 (registration fees)(**14**), after subsection (1), insert—

“(1A) Any fee prescribed by the General Council under subsection (1) in connection with the making of an entry in the register relating to a specified state professional must be—

- (f) the documents and certificates issued in relation to professional qualifications or other conditions that apply to the practice of a registered dentist that are acceptable to the Council.

(2) The Council must deal promptly with enquiries from specified state professionals of that description about conditions that apply to the practice of registered dentists.”.

26. In section 36C (qualifications for registration)(27)—

(a) after subsection (4A), insert—

“(4B) Subsection (4)(b) does not apply to a person whose application for registration is made in reliance on a relevant qualification that is a specified state qualification or relevant qualifications that are specified state qualifications where—

- (a) the relevant qualification demonstrates or the relevant qualifications taken together demonstrate, in the opinion of the Council, a comparable level of knowledge and skill to that demonstrated by a qualification approved (or qualifications together approved) in respect of the same profession or class under section 36D(2), or
- (b) the person has met the requirement specified in relation to the person under subsection (4E).

(4C) The Council may determine that the person’s relevant qualification does not or relevant qualifications taken together do not meet the standard in subsection (4B)(a) only where one or more of Conditions 1 to 3 are met.

(4D) For the purposes of this section—

- (a) Condition 1 is met where there exists a substantial difference between the level of knowledge and skill demonstrated by the person’s relevant qualification or qualifications taken together and the level of knowledge and skill demonstrated by a qualification approved (or qualifications together approved) in respect of the same profession or class under section 36D(2);
- (b) Condition 2 is met where the professional activities to which the qualification approved (or qualifications together approved) by the Council under section 36D(2) in respect of the same profession or class relates (or relate) include one or more professional activities that cover substantially different matters from those covered by the person’s relevant qualification or qualifications;
- (c) Condition 3 is met where requiring the person to take an aptitude test or complete an assessment period, or to do both, would amount to requiring the person to acquire a qualification approved (or qualifications together approved) by the Council under section 36D(2) in respect of the same profession or class.

(27) Section 36C was inserted by [S.I. 2005/2011](#). Relevant amending instruments are [S.I. 2015/806](#), [2019/593](#) and [2023/162](#).

Status: This is the original version (as it was originally made).

(4E) If the person applies to be registered by virtue of subsection (4B)(b), the Council must specify in relation to the person what aptitude test or adaptation period, or aptitude test and adaptation period, must be passed or successfully completed by the person.

(4F) Subsection (4E) does not apply if the person's relevant qualification is or relevant qualifications taken together are determined not to meet the standard in subsection (4B) (a) because Condition 3 is met in relation to the qualification or qualifications.

(4G) Where the Council specify under subsection (4E) an aptitude test or adaptation period, or both, in relation to a person, the aptitude test or the adaptation period, or the aptitude test and the adaptation period together, must be proportionate to the difference sought to be addressed.

(4H) The Council must give a person their reasons for specifying an aptitude test or an adaptation period, or both, in relation to the person under this section, if the person makes a written request for them.

(4I) If the Council specify aptitude tests in relation to persons under this section, the Council must ensure that such tests are scheduled with reasonable frequency and at least once a year.”;

(b) at the end, insert—

“(8) In this section—

“adaptation period”, in relation to registration under a particular title in the dental care professionals register, means a period of practice subject to an assessment and, where necessary, accompanied by further training, which is supervised by a registered dental care professional of the profession, or class of members of a profession, to which the title applies;

“aptitude test”, in relation to registration under a particular title in the dental care professionals register, means an assessment with the aim of determining whether a person has the knowledge and skill that the Council consider to be required for a person to practise as a member of the profession or class to which the title relates.”.

27. In section 36CA (supplementary provisions as to necessary knowledge of English)(**28**)—

(a) after subsection (4), insert—

“(4A) Where the applicant applies in reliance on a specified state qualification or qualifications, the registrar may not request more evidence, information or documents than is necessary to demonstrate to the registrar that the applicant has the necessary knowledge of English.”;

(b) after subsection (6), insert—

“(6A) Where the registrar requires an applicant who applies in reliance on a specified state qualification or qualifications to undergo an examination or other assessment, the examination or assessment must be proportionate to the knowledge of English referred to in section 36C(6)(aa).”.

28. In section 36E (rules relating to the dental care professionals register)(**29**)—

(a) the existing text becomes subsection (1);

(b) after subsection (1), insert—

“(2) Subsection (1) is subject to section 36EA. ”.

“36EA Applications by specified state professionals under section 36C

(1) Where a person applies for registration under section 36C in reliance on a specified state qualification or qualifications, the registrar must—

- (a) within the period of one month beginning with the date of receipt of the application—
 - (i) acknowledge receipt of the application; and
 - (ii) inform the applicant of any missing document required for the purposes of the application;
- (b) give the applicant adequate time to complete the requirements and procedures of the application process;
- (c) ensure that the evidence and information which the applicant must supply in support of the application is no more than is necessary to demonstrate to the registrar that the applicant satisfies the requirements for registration;
- (d) accept certified copies of documents in place of original documents, unless the Council require original documents to protect the integrity of the application process; and
- (e) deal promptly with the application and notify the applicant of the result of the application within the period of four months beginning with the relevant date.

(2) For the purposes of subsection (1)(d), a certified copy of a document is one which is certified to be a true copy of the original by a solicitor practising in any part of the United Kingdom.

(3) In subsection (1)(e), “the relevant date”, in relation to an application, is—

- (a) the date when the registrar receives the application, or
- (b) if any document required for the purposes of the application is missing when the registrar receives the application, the date on which the registrar first has all the documents required for those purposes.

(4) If the registrar makes a request for further evidence, information or documents from the applicant, the period beginning with the date on which the registrar makes that request and ending with the date on which the applicant complies with that request is to be disregarded in determining whether the period of four months referred to in subsection (1) (e) has expired.

(5) If the registrar imposes a requirement on the applicant under section 36CA(6), the period beginning with the date on which the registrar imposes that requirement and ending with the date on which the applicant satisfies that requirement is to be disregarded in determining whether that period of four months has expired.

(6) A document which is requested or required under section 36CA(4) or (6)(b) is not to be treated as missing for the purposes of this section.”.

30. In section 36F (fees)(30), after subsection (1), insert—

“(1ZA) If regulations under this section prescribe a fee to be charged on the entry of a person’s name in the register in a case where the person applies for registration in reliance on a specified state qualification or qualifications, the fee must be—

- (a) reasonable and proportionate to the cost of dealing with such a person’s application;
- (b) transparent, and made public in advance; and

(30) Section 36F was inserted by [S.I. 2005/2011](#). There are amendments to section 36F but none is relevant to these Regulations.

(c) payable by electronic means through the Council’s own website.”.

31. After section 36M (guidance)(31), insert—

“36MA Information for specified state professionals

(1) The Council must make information about the following matters available to persons who are eligible to apply for registration in the dental care professionals register in reliance on their specified state qualifications—

- (a) the relevant laws to be applied regarding disciplinary action, financial responsibility or liability and other relevant matters;
- (b) the principles of discipline and enforcement of professional standards, including disciplinary jurisdiction and consequential effects on practising professional activities;
- (c) the processes and procedures for the ongoing verification of competence;
- (d) the criteria for, and procedures relating to, erasure of registration;
- (e) the documentation required of such specified state professionals and the form in which it should be presented; and
- (f) the documents and certificates issued in relation to professional qualifications or other conditions that apply to the practice of registered dental care professionals that are acceptable to the Council.

(2) The Council must deal promptly with enquiries from such specified state professionals about conditions that apply to the practice of registered dental care professionals.”.

32. In section 37 (definition of practice of dentistry)(32), after subsection (2B), insert—

“(2C) Subsection (2) does not have effect in relation to dental work that is done by a person as part of an adaptation period specified in relation to the person by the Council under section 15ZA or 36C(4E).”.

33. In section 38(33) (prohibition on practice of dentistry by laymen), after subsection (1), insert—

“(1A) A specified state professional undertaking an adaptation period specified in relation to the person by the Council under section 15ZA or 36C(4E) does not contravene subsection (1) by practising dentistry or by holding out as regards practising or being prepared to practise dentistry if the practising of dentistry is done as part of the adaptation period or (as the case may be) the holding out relates only to the practising of dentistry as part of the adaptation period.”.

34. In section 53 (interpretation)(34), in subsection (1), at the appropriate places insert—

““specified state professional” means a person who holds a specified state qualification;”;

““specified state qualification” means a qualification in dentistry or in a profession complementary to dentistry awarded in one of the states specified in Schedule 1 to the Recognition of Professional Qualifications and Implementation of International Recognition Agreements (Amendment) Regulations 2023;”.

35. In Schedule 2A (registration appeals: dentists register)(35)—

(a) in paragraph 1, for the definition of “the requisite period”, substitute—

““the requisite period”—

(a) in relation to a decision as to the registration of a specified state professional under section 15(1)(c), means the period of four months beginning with the date when the registrar is first in possession of sufficient information to make the decision;

(b) in relation to any other decision of a kind specified in paragraph 2(1)(a) or a decision of a kind specified in paragraph 2(1)(b), (d), (f), (g) or (i), means the period of three months beginning with the date when the registrar is first in possession of sufficient information to make the decision.”; and

(b) in paragraph 2(1)(a), for “or (c)”, substitute “, (c) or (d)”.

Amendments to the Opticians Act 1989

36. The Opticians Act 1989(36) is amended as follows.

37. In section 8 (qualifications for being registered)(37)—

(a) omit subsection (2C);

(b) after that subsection, insert—

“(2D) Subsections (2E) to (2H) apply instead of subsections (2) to (2B) in the case of a person whose qualification is a specified state qualification.

(2E) Subject to subsection (2F), a person is entitled to have the person’s name in the appropriate register if the person satisfies the Council that—

(a) the person holds a qualification as an optometrist or as a dispensing optician which is a specified state qualification;

(b) the person has had adequate practical experience in the work of an optometrist or dispensing optician; and

(c) the person is a fit person to practise as an optometrist or dispensing optician.

(2F) A person is not entitled to have the person’s name in the appropriate register by virtue of subsection (2E) if the Council determine that one or more of Conditions 1 to 3 are met in relation to the person’s specified state qualification, unless the person satisfies the Council that the person has met the requirement specified in relation to the person under section 8ZA.

(2G) For the purpose of this section and section 8ZA—

(a) Condition 1 is met where there exists a substantial difference between the knowledge and skill evidenced by a person’s specified state qualification and the knowledge and skill demonstrated by an approved UK qualification;

(b) Condition 2 is met where the professional activities to which an approved UK qualification relates include one or more professional activities that cover substantially different matters from those covered by the person’s specified state qualification;

(35) Schedule 2A was inserted by [S.I. 2005/2011](#) and amended by [S.I. 2007/3101](#) and [2019/593](#). There are other amendments to Schedule 2A but none is relevant to these Regulations.

(36) [1989 c. 44](#).

(37) Relevant amending instruments are [S.I. 2005/848](#) and [2019/593](#).

Status: This is the original version (as it was originally made).

(c) Condition 3 is met where requiring the person to take an aptitude test or complete an adaptation period would amount to requiring the person to acquire an approved UK qualification.

(2H) The Council may determine in relation to a person who holds a qualification as an optometrist or as a dispensing optician which is a specified state qualification that, before being entitled to have the person's name in the appropriate register, the person must pass such test, approved in accordance with section 12(7)(c), as they consider appropriate.

(2I) Where the Council make a determination that a specified state professional must take a test approved in accordance with section 12(7)(c), the test must be proportionate to the language skills necessary to practise as an optometrist or a dispensing optician.”;

(c) at the end, insert—

“(11) In this section “approved UK qualification” means a qualification that is—

(a) approved under section 12(7)(b), and

(b) granted by an establishment in the United Kingdom that is approved under section 12(7)(a).”.

38. After section 8, insert—

“8ZA Section 8: further provision relating to specified state qualifications

(1) This section applies where a person who holds a specified state qualification applies to have the person's name in the appropriate register under section 8 and the Council determine that one or both of Conditions 1 and 2 are met in relation to the person's qualification.

(2) This section does not apply if the Council determine that Condition 3 is met in relation to the person's specified state qualification.

(3) Where this section applies, the Council must specify what aptitude test or adaptation period, or aptitude test and adaptation period, must be passed or successfully completed by the person before the person is entitled to have the person's name in the appropriate register.

(4) An aptitude test or adaptation period specified under this section, or an aptitude test and adaptation period together specified under this section, must be proportionate to the difference sought to be addressed.

(5) The Council must give a person their reasons for specifying an aptitude test or an adaptation period, or both, in relation to the person under this section, if the person makes a written request for them.

(6) If the Council specify aptitude tests in relation to persons under this section, the Council must ensure that such tests are scheduled with reasonable frequency and at least once a year.”.

39. In section 10 (general provisions as to registers and lists)(38), after subsection (1), insert—

“(1ZB) If rules under this section prescribe a fee to be charged on the entry of a person's name in the register in a case where the person applies for registration in reliance on a specified state qualification, the fee must be—

(a) reasonable and proportionate to the cost of dealing with such a person's application;

(b) transparent, and made public in advance; and

(c) payable by electronic means through the Council's own website.

(38) Relevant amending instruments are [S.I. 2005/848](#), [2007/3101](#) and [2019/593](#).

(1ZC) Where a person applies for registration under section 8 in reliance on a specified state qualification, the Council must—

- (a) within the period of one month beginning with the date of receipt of the application—
 - (i) acknowledge receipt of the application; and
 - (ii) inform the applicant of any missing document required for the purposes of the application;
- (b) give the applicant adequate time to complete the requirements and procedures of the application process;
- (c) ensure that the documentary and other evidence which is to accompany applications for registration is no more than is necessary to demonstrate to the Council that the applicant satisfies each of the requirements imposed by or under section 8;
- (d) accept copies of documents in place of original documents (subject to such provision about verifying copies as is made by rules under subsection (1)) unless the Council require original documents to protect the integrity of the application process;
- (e) deal promptly with the application; and
- (f) as soon as reasonably practicable and in any event within four months beginning with the relevant date, notify the applicant in writing of the result of the application.

(1ZD) In subsection (1ZC)(f), “the relevant date”, in relation to an application, is—

- (a) the date on which the Council receive the application; or
- (b) if any document required for the purposes of the application is missing when the Council receive the application, the date on which the Council first have all the documents required for those purposes.

(1ZE) If the Council make a request for further evidence, information or documents from the applicant, the period beginning with the date on which the Council make that request and ending with the date on which the applicant complies with that request is to be disregarded in determining whether the period of four months referred to in subsection (1ZC)(f) has expired.”.

40. After section 13A (the Council’s duty to provide guidance on fitness to practise)(**39**) insert—

“13AA Information to be provided to specified state professionals

(1) The Council must make information about the following matters available to specified state professionals—

- (a) the relevant laws to be applied regarding disciplinary action, financial responsibility or liability and other relevant matters;
- (b) the principles of discipline and enforcement of professional standards, including disciplinary jurisdiction and consequential effects on practising professional activities;
- (c) the processes and procedures for the ongoing verification of competence;
- (d) the criteria for, and procedures relating to, erasure or removal from the appropriate register;

Status: This is the original version (as it was originally made).

- (e) the documentation required of specified state professionals and the form in which it should be presented; and
- (f) the documents and certificates issued in relation to professional qualifications or other conditions that apply to the practice of registered optometrists or registered dispensing opticians that are acceptable to the Council.

(2) The Council must deal promptly with enquiries from specified state professionals about conditions that apply to the practice of registered optometrists or registered dispensing opticians.”

41. In section 36 (interpretation)(**40**), at the appropriate places, insert—

““adaptation period” means a period of practice, subject to an assessment and, where necessary, accompanied by further training, which is supervised by a registered optometrist or registered dispensing optician;”;

““aptitude test” means an assessment with the aim of determining whether a person has the competencies for the time being established under section 12(1)(a) in relation to being granted a qualification as an optometrist or a dispensing optician;”;

““specified state professional” means a person who holds a specified state qualification;”;

““specified state qualification” means a qualification as an optometrist or as a dispensing optician granted in one of the states specified in Schedule 1 to the Recognition of Professional Qualifications and Implementation of International Recognition Agreements (Amendment) Regulations 2023;”.

Amendments to the Osteopaths Act 1993

42. The Osteopaths Act 1993(**41**) is amended as follows.

43. In section 3 (full registration)(**42**)—

(a) for subsection (2)(d), substitute—

“(d) is a person who—

(i) has a recognised qualification, or

(ii) has a specified state qualification which is not a recognised qualification and has met the requirement specified in relation to the person under section 14A.”; and

(b) after subsection (2), insert—

“(2A) The General Council may require a specified state professional who wishes to be registered under this section to demonstrate that the person possesses the language skills necessary to the practice of a registered osteopath.

(2B) A language test required by the General Council under subsection (2A) must be proportionate to the level of language skills referred to in that subsection.”.

44. In section 6 (registration: supplemental provision)(**43**), after subsection (4), insert—

“(4B) Subsections (2) to (4) are subject to subsection (4C) and section 6A.

(4C) Any fee prescribed in connection with the making of an entry in the register relating to a specified state professional must be—
