**2023 No. 396**

**BUILDING AND BUILDINGS, ENGLAND**

**The Higher-Risk Buildings (Key Building  
Information etc.) (England) Regulations 2023**

*Made* - - - - 26th March 2023

*Coming into force* - - 6th April 2023

The Secretary of State makes the following Regulations in exercise of the powers conferred by sections 74, 89(1) and (2) and 168(2) and (4) of the Building Safety Act 2022<sup>(1)</sup>.

In accordance with section 7(4) of the Building Safety Act 2022, the Secretary of State has consulted the building safety regulator and such other persons as the Secretary of State considers appropriate.

A draft of this instrument has been laid before Parliament and approved by a resolution of each House of Parliament.

**Changes to legislation:**

There are currently no known outstanding effects for the The Higher-Risk Buildings (Key Building Information etc.) (England) Regulations 2023, Introductory Text.
