The Relevant Licensee Nuclear Company
Administration (England and Wales) Rules 2023

PART 7

Claims by and Distributions to Creditors

CHAPTER 3

Distributions

Debts of insolvent relevant licensee nuclear company to rank equally

67. Debts other than preferential debts rank equally between themselves in the relevant licensee nuclear company administration and, after the preferential debts, must be paid in full unless the assets are insufficient for meeting them, in which case they abate in equal proportions between themselves.
