The Electricity and Gas (Energy  
Company Obligation) Order 2023

PART 5

ECO4A qualifying actions

CHAPTER 2

Measures at eligible properties

**Measures installed at band D social housing**

**14.** A measure meets the condition in this article if—

- (a) the measure is installed at social housing for which the pre-installation SAP band is band D; and
- (b) the measure—
  - (i) is an innovation measure; and
  - (ii) is not a heating control measure.
