I2 [Reg. 41](#) in force at 1.10.2023, see [reg. 1\(1\)](#)

Completion certificate applications: consultation

- 42.**—(1) Before determining a completion certificate application the regulator must consult—
- (a) where the work to which the application relates is—
 - (i) HRB work or a stage of HRB work,
 - (ii) category A work, or
 - (iii) category B work and Part B of Schedule 1 to the 2010 Regulations imposes requirements in relation to the work,
 the enforcing authority (within the meaning of article 25 of the Regulatory Reform (Fire Safety) Order 2005) for the building, and
 - (b) the sewerage undertaker for the building where paragraph H4 of Schedule 1 to 2010 Regulations imposes requirements in relation to the work to which the application relates.
- (2) Where the regulator is required to consult a person under this regulation the regulator—
- (a) must give the person sufficient plans to show whether the work, as built, complies with—
 - (i) in the case of the enforcing authority, the applicable requirements of Part B (fire safety) of Schedule 1 to the 2010 Regulations;
 - (ii) in the case of the sewerage undertaker, the requirements of paragraph H4 of Schedule 1 to the 2010 Regulations;
 - (b) must not determine the application until the expiry of a period of 15 working days beginning with the date the consultation starts or such longer period as the regulator and the person consulted agree in writing.
- (3) In relation to the consultation under paragraph (1)(a) the plans given must include the fire and emergency file or, where the work to which the application relates is category B work, the fire safety compliance information.
- (4) If all persons consulted express their views before the end of the period referred to in paragraph (2)(b) then the prohibition against determining the application ceases to apply on the day after the date on which their views are received by the regulator.
- (5) The regulator is not required to consult under this regulation where it is satisfied following consideration of the application there are sufficient grounds to reject the application.
- (6) In this regulation, “category A work” and “category B work” have the meanings given in regulation 12 (building control approval applications for work to existing HRB).

I4 [Reg. 43](#) in force at 1.10.2023, see [reg. 1\(1\)](#)

Completion certificate applications: decisions

44.—(1) The regulator must approve a completion certificate application and issue a completion certificate, if it is satisfied, after taking all reasonable steps, that—

- (a) HRB work, stage of HRB work or work to existing HRB is completed and complies with all applicable requirements of the building regulations;
- (b) the documents and information listed in regulation 40(2)(a) to (d) (completion certificate applications) and submitted as part of the completion certificate application are complete and accurate;
- (c) the information required to be provided to the relevant person in accordance with regulation 38 (handover of information on completion etc) is complete and has been provided.

(2) If the regulator is not satisfied in accordance with paragraph (1) it must reject the completion certificate application.

(3) The regulator must notify the applicant of the outcome of the application (and where the applicant is not the client, also give a copy of the notification to the client) within the period referred to in regulation 41 (completion certificate applications: validity and time limit).

(4) A notice that the application has been rejected must give the reasons for rejection.

(5) If the application is approved the regulator must issue a completion certificate for the higher-risk building at the same time as giving the notice of its decision under paragraph (3).

(6) If requested by the applicant or the relevant person, the regulator must provide a paper copy of the completion certificate.

(7) A certificate issued under this regulation is evidence (but not conclusive evidence) that all applicable requirements of the building regulations have been complied with in relation to the HRB work, the stage of HRB work or, as the case may be, the work to existing HRB.

(8) The certificate must include a statement describing its evidentiary effect, in terms substantially the same as paragraph (7).

(9) When the completion certificate application is approved the client must ensure the relevant person (as defined in regulation 38 (handover of information on completion etc)) is sent—

- (a) a copy of the completion certificate application and each of the other documents which accompanied the application, and
- (b) a copy of the completion certificate.
