2023 No. 939

EDUCATION, ENGLAND

**The Power to Award Degrees etc. (New Model
Institute for Technology and Engineering) Order 2023**

Made - - - - *29th August 2023*

Coming into force - - *1st September 2023*

The Office for Students, in exercise of the powers conferred by section 42(1) of the Higher Education and Research Act 2017⁽¹⁾, makes the following Order.

The Office for Students has requested advice from the relevant body regarding the quality of, and standards applied to, higher education provided by the provider, and has had regard to that advice in accordance with section 46(1)(a) and (7) of that Act.

Citation and commencement

1. This Order may be cited as the Power to Award Degrees etc. (New Model Institute for Technology and Engineering) Order 2023 and shall come into force on 1st September 2023.

Authorisation to grant awards

2. New Model Institute for Technology and Engineering (registered company number 08800142) is authorised to grant taught awards of the kind mentioned in section 42(2)(c) of the said Act for taught awards up to and including master’s level for subjects related to—

- (1) engineering, and
- (2) architecture, building and planning,

including but not limited to the subjects specified in the Schedule.

3. New Model Institute for Technology and Engineering shall only be competent to grant the taught awards of a specified description mentioned in article 2 of this Order for a fixed term beginning on 1st September 2023 and expiring on 30th November 2026.

4. New Model Institute for Technology and Engineering shall only grant the awards specified in article 2 of this Order to persons enrolled with it at the time they complete the course of study for which the award is granted.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

29th August 2023

Jean Arnold
Deputy Director of Quality
Office for Students

SCHEDULE

Article 2

Subjects related to engineering, architecture, building and planning

1. Engineering (non-specific)
2. Mechanical engineering
3. Production and manufacturing engineering
4. Aeronautical and aerospace engineering
5. Naval architecture
6. Bioengineering, medical and biomedical engineering
7. Civil engineering
8. Electrical and electronic engineering
9. Chemical, process and energy engineering
10. Fire safety engineering
11. Safety engineering
12. Mining engineering
13. Water quality control
14. Timber engineering
15. Architecture
16. Building
17. Landscape design
18. Planning (urban, rural and regional)

EXPLANATORY NOTE

(This note is not part of the Order)

This Order authorises New Model Institute for Technology and Engineering to grant taught awards up to and including master's level for subjects related to engineering, architecture, building and planning, including but not limited to the subjects specified in the Schedule. The authorisation is for a fixed term beginning on 1st September 2023 and expiring on 30th November 2026.
