(7) Where—

(a) immediately before 1st October 2023, M had remediable service in the reformed scheme, and

(b) an immediate choice decision is made that no section 6 election is to be made in relation to M's remediable service,

⁽⁸⁾ See section 25(8) of PSPJOA 2022 for the meaning of "non-discrimination rule" and section 25(9) for the circumstances in which a breach of a non-discrimination rule is "relevant".

(3) Where—

- (a) a remediable service statement has been provided to M in accordance with paragraph 4(2)(a), and
- (b) M dies before making an immediate choice decision under paragraph 8,

the section 6 election period is treated as though it had never begun in relation to M.

(4) An immediate choice decision is to be treated as having been made only if D provides the information specified in any written request from the Scheme manager that is—

- (a) information in D's possession, or
- (b) information which D can reasonably be expected to obtain.

Immediate choice decision: deemed election

10. Where—

- (a) the end of the section 6 election period in relation to M has passed, and

the Scheme manager may, if it seems reasonable in all the circumstances of the case, treat an immediate choice election as having been made in relation to M's remediable service immediately before the end of the section 6 election period.

Chapter 3

Secondment/Loan

Purchase of additional reckonable service in respect of period on loan

38.—(1) This paragraph applies where, in relation to a remedy member’s (“M”) remediable service, both an option under rule C.3 (purchase of additional reckonable service in respect of a period on loan) of Schedule 1 to this instrument and an option to preserve an entitlement to earned pension under regulation 97 of the AFP Regulations 2014 (members seconded to NATO or the UN etc) were exercised, and—
