SCHEDULE 2

REQUIREMENTS

Construction traffic management plan

11.—(1) No stage of the authorised development may commence until a construction traffic management plan for that stage has been submitted to and approved by the relevant planning authority in consultation with the highway authority. The construction traffic management plan must be substantially in accordance with the outline construction traffic management plan.

(2) The construction traffic management plan must be implemented as approved throughout the construction of the authorised development unless otherwise agreed by the relevant planning authority in consultation with the highway authority.
