**2024 No. 393**

The National Grid (Yorkshire Green Energy  
Enablement Project) Development Consent Order 2024

PART 2

PRINCIPAL POWERS

**Development consent etc. granted by the Order**

- 3.—(1) Subject to the provisions of this Order and the requirements—
- (a) National Grid is granted development consent for the authorised development set out in Schedule 1 (authorised development) to be carried out within the Order limits;
  - (b) subject to article 6 (benefit of the Order), NPG is granted development consent for the NPG Works; and
  - (c) subject to article 6 (benefit of the Order) NGN is granted development consent for the NGN Works.
- (2) National Grid may—
- (a) install and keep installed the authorised development; and
  - (b) remove or replace any electric line including pylons that may require removal as part of the authorised development.
- (3) NPG may—
- (a) subject to Schedule 5 (benefit of the Order rules), install the NPG Works;
  - (b) keep installed the underground cables and telemetry included in the NPG Works; and
  - (c) remove or replace any electric line including pylons or poles that may require removal in relation to the NPG Works.
- (4) NGN may—
- (a) subject to Schedule 5 (benefit of the Order rules), install the NGN Works;
  - (b) keep installed the underground gas pipelines included in the NGN Works; and
  - (c) remove or replace any pipeline that may require removal in relation to the NGN Works.
- (5) National Grid may operate and use the electric lines and any other elements of the authorised development (excluding the NPG Works and the NGN Works) as part of the high-voltage electricity transmission system in England and Wales.
- (6) NPG may operate and use the electric line and any other elements of the NPG Works as part of the electricity distribution network.
- (7) NGN may operate and use the gas pipeline and any other elements of the NGN Works as part of the gas distribution network.
- (8) The authorised development must be constructed and installed in the lines and situations shown on the works plan, subject to article 5 (limits of deviation) and to Schedule 3 (requirements).
